New German Cooking: Recipes For Classics Revisited

Synopsis

Bright flavors. Fresh and healthful. These are not words we typically associate with German cuisine. But this beautifully packaged cookbook is not quite traditional. Featuring 100 recipes for familiar food re-envisioned to reflect the way we eat now, *German Cooking Now* celebrates fresh vegetables, grains, herbs, and spices as obsessively as it does pork, pretzels, and beer. Chefs Jeremy and Jessica Nolen share recipes from their family table, inspired by their travels in Germany. Slow-braised meats, homemade pickles and preserves, hand-cut noodles, and vegetables every which way—•the recipes in *German Cooking Now* are entirely true to their roots, yet utterly unique. More than 40 full-color photographs and creative recipes for every meal occasion will satisfy food lovers far and wide.

Customer Reviews

Jeremy and Jessica Nolen have written a beautiful cookbook. I turn the pages to look at the photos to decide what to make. Last night I made the Buckwheat Spaetzle from page 168 and then used it

for Spaetzle with Asparagus, Aged Gouda and Ramp-Hazelnut Pesto. I will make the spaetzle often because it was the best I have ever tasted. The finished asparagus dish was so good that I will make it again tonight. I will be cooking often from this book.

I love that each recipe comes with a bit of a story. Recipes are easy to follow but some ingredients may be harder to find than others unless you have a good German food shop to buy from. Definitely not what people think of when they picture German cuisine. Have loved everything I have made so far except the pumpernickel brownies.

I absolutely love this cook book. It's easy to use and the recipes are great. I spent 5 years in Germany and I love the food. This is a great addition to my collection.

Beautiful book, we love how it's written. Recently made bratwurst from this book, made sure to measure ingredients as it says. Was outstanding! Can't wait to try other recipes.

Great gift for a boyfriend who loves to cook. So far, the apple strudel and sauerkraut potatoes au gratin are big successes!

We haven't tried any recipes yet but there are lots that appeal to me. Nice to see a good modern German cookbook that understands what we have available in our local markets.

What a wonderful cookbook. Not only are the recipes well written and easy to follow, the food illustrations are beautiful and the variety of unique recipes is fantastic (love the recipe for the potato - cucumber salad on page 65!). I am Italian and love to cook ethnic foods. This cookbook will certainly make German cooking easier!

Everything we've tried is good
