# FALSE FAMILY (Harlequin Comics)

## Synopsis

Mallory is an actress who has a long way to go before she makes a name for herself in the world, and who has no family and relativesâ€”sheâ€™s all alone. One day, sheâ€™s offered a rather strange acting job from a very wealthy man. The job is to act as his daughter in order to screen his relatives, who are after his money and fortune. He asks her to pretend to be a daughter he had with his past girlfriend. She gets surrounded by piercing stares of hatred when she shows up in a gorgeous dress and jewelryâ€”especially from Tony, the business partner of her wealthy client, who presents himself as a dangerous man. He says, â€œNobody here is welcoming you. You should leave this mansion as soon as possible,â€• but then gives her a passionate kiss!

## Book Information

## Customer Reviews

There wasn't much excitement in this book, so it felt a little lacking, but the story is fine. A pretty actress gets a high paying 2 week job and makes an important discovery while trying to avoid someone who wants her dead.

Overall it was a cute story, though it had love at first sight clichÃ©. Beautiful artwork which made it

really enjoyable to read.

good
