Customer Reviews

Another great story from Tymber Dalton - Brandon, Stuart, and Jeff are at a standstill and through a serious mishap they are thrown together, can they find true love with each other.

First, this book is easily read as a stand alone as is the case with most of the books in this series. The characters in Heartache Spoken Here are members or becoming members of the same BDSM club. I love that I can pick up a book in this series when the blurb grabs me. Heartache Spoken Here is a part of Ms. Dalton's new sub-series inside of this broader series labeled The Man Love Collection. Yes, you guessed right - these books are gay romance. In the case of Heartache Spoken Here it is a m/m/m menage. Though I haven't read many in this menage area the few I have read I have loved! And this was the case with this one as well. Stewart, Jeff, and Brandon are meant to be together. How these three meet is relevant and well thought out. Bearing witness to them slowly getting to know each other and all agreeing that the three of them belong together and would work was really well done. Each man has his own path in life. The back story that brought each to the place where we as the reader meets them really allows insight into their mindset. Yes, the sex when it comes is smoking hot and laced with emotion but this book is so much more than that. It is three men finding a happy working to fit into each other lives. Stewart, Jeff, and Brandon each compliment each other. The author did a fabulous job bonding each man to the other. I was left truly believing these three were meant to be together! I also really enjoyed how their love didn't exist in a vacuum. Not only do they have to deal with some bigotry around being gay, but the author kept it real as these three have to deal

with being openly loving as three. There was one scene with Brandon's teenage daughter that was EPIC and highlighted at least for me why honest is the best path! I hope you will give this one a try. Heartache Spoken Here was such an enjoyable and hot read!

Heartache Spoken Here is book #54 in the Suncoast Society series by Tymber Dalton. As always, Ms. Dalton has written a story filled with real-life, relatable characters, their everyday lives, their hopes, dreams, and, of course, the romance they've been looking for, and the difficulties, obstacles, and complications that lie in their paths. Stuart is a 25-year-old recent transplant from Iowa to the Tampa area of Florida. He has been deeply closeted as a gay man in his small hometown where he has no opportunities for his personal life and limited ones for his career. As an electrical contractor, he has been able to take advantage of the construction industry's explosive growth in Florida, and has landed a job with a stable, reliable construction company. It certainly doesn't hurt that he's met a man online at a well-known kink website with whom he's been corresponding for quite some time. Full of optimism, he packs up his belongings and, with a deep breath, heads for Florida. Jeff is a 37-year-old gay man who's had more than his fair share of heartbreak. As a result, he's shied away from any social contacts for awhile now. When he takes his classic Edsel to a friend for help, she invites him to come to the rope demo at Venture that Saturday. It's been ages since he's been to Venture. He's definitely kinky, mostly subby but, at times, a little toppy too. Initially reluctant, Jeff finally realizes he's been isolating himself for far too long. Maybe it's time for him to get his head back into the game. After all, it's only a rope demo and maybe dinner at Sigalo's afterward. He doesn't have to go to the play session afterward. There's no harm in that, right? Brandon is a 41-year-old divorced gay man with a 16-year-old daughter. Ever since he realized his catastrophic mistake in marrying his ex-wife, when he knew he was gay and was trying to hide it, he's been paying for it. But the one thing he'll never regret is his daughter, Emma. As a sadistic Dominant, he's never found the right guy that he can have a relationship with who will accept that he and Emma are a package deal. Play? Yes, he has no problem finding play partners. But he's nearly given up on finding his dream of a truly meaningful relationship with a man who will accept his daughter. Then fate strikes as all three men show up at the rope demo. Stuart has shown up with high expectations. Only those expectations are not just dashed but crushed into oblivion. But can there be a silver lining in this black cloud hanging over Stuart's head? Jeff and Brandon have already met. Is there hope for any of these three men? As events spin, turn, twist, and take unexpected shifts in direction, nothing is clear. Can any one of the three avoid the heartache that has always been spoken in their lives? This is an ADULT book. It contains BDSM themes, explicit

language, and sexual scenes. If you don't enjoy this genre, PLEASE think hard before buying a book you won't enjoy. There are book synopses and reviews available on Goodreads and booksellers' websites. PLEASE use these resources. PLEASE DON'T LEAVE A NEGATIVE REVIEW WHEN YOU KNOW YOU WON'T ENJOY THE BOOK. IT'S NOT FAIR TO THE AUTHOR! She works extremely hard to provide a quality work product. If you know you'll object to the subject matter before you buy a book, you're doing yourself and the author an extreme disservice. But if you do enjoy hot, erotic BDSM romances, I highly recommend Heartache Spoken Here. It's yet another wonderful novel by Tymber Dalton. I give it my highest recommendation without reservation. Thanks for reading my review and happy reading!

This was book 54 in the "Suncoast Society" series. Stuart moves to Florida from Iowa because he knows being out as gay and kinky won't be possible around his family in Iowa. It's a new start for him, and he's already made a kinky friend online or so he thought. Jeff is going through the motions of life when he takes his classic car in to be fixed by Brooke she invites him to a demo that Leah is doing at the club and to dinner with the group. Brandon is raising his daughter with his ex wife he feels guilty for leaving her because he realized he is gay. Stuart after getting settled in his new job and his extended stay hotel he shows up at the club to surprise his online friend Albert only to be told he has been catfished. Brandon is introduced to Jeff by Brooke and her guys and when Cali calls Brandon into the office Stuart meets the man in the picture turns out it was Brandon and the person that catfished him was a woman who was taking pictures at a private party the woman was banned from the club and lost her Dom and her place to stay. Brandon feeling bad for what happened to Stuart he introduces him to Jeff who likes what he sees. The three of them begin to play together and date. Brandon is having problems with his ex and her new husband Pat so his daughter moves in with him fulltime. I liked how they agreed to take it slow as far as it comes to having sex. Stuart was a virgin sub, Brandon is a Dom and Jeff is a switch. This was a really good story. I also liked Brandon's daughter Emma and when she thought that Brandon was cheating on Jeff with Stuart and how she was standing up for him. This book was well written with no errors in grammar or spelling. This book has a part two coming out soon and I can't wait to read it.
