I don't think that there could have been a better ending to this series. Alyx and Israel are challenged at every turn, for their life, for their love. They overcome everything that is thrown at them against all odds. Even at their lowest, they find a way to be together. I'm so happy that I found that first story while browsing. I highly recommend this series to anyone that loves a tale of adventure and romance!

Dark Angel Box Set, 1 - 6, was one of the best set of books I have read so far this year!!! After the first set, 1 - 3, I purchased the second set at just under \$10 on but in my haste it was sent to my husband's kindle! Ouch!! Note I rarely by \$\$ books as I try to read the 99 cent box series to read different authors. I loved the adventure so much I bought a second set to be sent to my kindle. I never do this, EVER!!!! I absolutely recommend Hannah Peach's Dark Angel series and the bonus read is like dessert!! Thank you for a great read!!!!

This is for this book and all that came before, storyteller extraordinaire, fantasy almost made believable, so good that you want it to happen to you, any of you out there that want to read this series you will forevermore be sorry if you don't. Such an excellent read
