Duck (Shake & Play Bath Books)

Synopsis

Bath time is play time for baby with this brightly illustrated floating vinyl book. The book is named for the Duck that appears on the front and back covers, but when toddlers open this book they'll see six more colorful creatures on inside pages – every little water-dwelling animal labeled with its name. Duck's friends include a frog, a dragonfly, a beaver, and three more animals. And when Baby picks up this book and give it a shake, he'll hear a cheerful rattle. This is one of four titles that Barron's offers in the Shake & Play Bath Book series: Duck, Fish, Turtle, and Whale. Each book comes in a clear vinyl package.

Customer Reviews

I purchased this for my 6 mo old granddaughter because she loves a similar Fisher Price one that I picked up at a local thrift store. They are great because they can put them in their mouth, chew on them, play with them in the water and best of all they are washable/wipeable for cleaning after she's done with them. While this is cute and colorful I am afraid that it may not last long only because the handle is pretty flimsy and my tear easily. Time will tell. ***UPDATE*** It's been about a month now since my review and I have to say that my fear of this little tubby book tearing easily has not happened. One thing I love is that it is very soft and flexible so it's very easy on her mouth and gums. I think I am going to order a few more!

nicely made and washes well in the dishwasher

perfect for the new grandchildren

My granddaughter loves it.

Love it!

Good

Baby loves it. Easily wipes clean when drooled upon. Rattles when shaken. I might have preferred a page that squeaks or crinkles for more sound.

I wish it was louder when shaken
