Southern Love For Pizza, Burgers & Tacos: 175 Family Dinner Favorites! (Southern Cooking Recipes Book 36)

Synopsis

Everyone loves pizza, burgers and tacos! Included in this cookbook are our family favorites with a traditional and southern flair. Most people do not think of tacos or pizza as southern foods, but the south is known for spicy and flavorful foods. Down along the Gulf coast, pizza, burgers and tacos will include all types of seafood. Seafood, beef, pork or turkey in burgers are always a family favorite. Whether you like your burgers in a single patty or stuffed, you will find many recipes that satisfy even the picky eater in the family. Burgers do not have to include meat. Meatless burgers are an excellent and delicious alternative for healthy eating. This book includes our favorite meatless burgers. Southern vegetable gardens are full of everything needed to make pizza sauces, pizza and taco toppings. Fresh herbs and vegetables from the garden add wonderful flavor to burgers. Pizzas and tacos are a great way to add vegetables to your diet without giving up your favorite dishes. After a good meal, you always need a tasty dessert. I have included our family favorite dessert pizza and taco recipes.

Customer Reviews

Another great cookbook by S L Watson. I find each of the books I have purchased of hers to be

worth my money and time. This has wonderful ideas and combinations of flavors. The recipes are well written. The ingredient lists are complete and directions don't leave you questioning what to do. Also recipes use ingredients most people have on hand or are easily found locally. Typically she uses equipment found in the average household. Even if not every recipe is to my taste, I have never had a failure by following her instructions. Her recipes seem well researched and tested not simply downloaded from other sites. I never hesitate to purchase a S L Watson book in a topic of my interest.
