The little kid in me is so happy to see these calendars out. I hope some month they have the Caterpillar 797B mega dump truck. Empty it weighs 281 tons. It can carry 418 tons. OH also it costs \$ 5 million dollars and needs 14 semis to haul it to where it needs to be assembled on site. Lets see somebody put one of the monsters on their Discover Card!!!!

This was much bigger than I thought it was going to be. It is much wider than a regular wall calendar, but that wasn't much of a problem since we hung it in our son's room to help him learn the days of the week. The pictures are colorful and the printing is of high quality. This was a gift for our son and he loves the pictures. We're all very pleased. A great buy for a construction vehicle enthusiast.

Love this calendar everything I expected to be.

I really don't know, it was a Christmas gift. I assume all the months, weeks and days are there otherwise I would have been informed by now. I was told that the person was happy with the present, so with that, I give it 5 stars.

Great calander with fantastic pictures. Very big with lots of room to right in appointments and such. Great deal for the price.

My boyfriend loved it! I like that it has little articles with each picture.

super fast shipping and the calendar is huge ! Even has 16 months so I was able to use it right away!

My husband always enjoys the Caterpillar calendars and it made a great Christmas gift.
