Synopsis

The Bible is the bestselling book in history, and the New International Version (NIV) Bible is the bestselling version year after year. This bestselling modern English Bible has sold more than 400 million copies since its first full publication in 1978. It is also the bestselling modern English Bible eBook, and now it's completely redesigned for an intuitive user experience. The font is crisp and clear, and readability is great on both E-Ink® screens and color screens. With quicker page turns and a numbered footnoting system that allows you to easily jump from Bible text to footnote and back again, this NIV eBook is faster and more robust than ever before. And with a new "How to Use This Bible" page included, navigating the Bible has never been easier. Read the Bible on your device just as if you were reading a physical book. Make the NIV eBook one of your favorite reads today. NIV ©2011 The New International Version (NIV) translation of the Bible is the world's most popular modern English Bible — easy to understand, yet rich with the detail found in the original languages.

I've had many bibles over the years but none ever stuck around for long because either it was paperback or I couldn't understand the translation. I really wanted a bible that would be my permanent bible that I could keep for years and highlight, write, etc in. This bible is it! I love that it is a hardcover bible and it had an 1 inch margin that you can write notes in. The front cover of the bible is a design of Proverbs 3:5-6 I personally like it but if you want the look of a more traditional bible you won't like it. PROS: hardcover & sturdy, nice journaling space on the side to write quick notes, adds more to the reading experience with featured drawings of verses, one column text meaning it's not too much on one page and the font is big enough to read without hurting your eyes. It also comes with a cute satin bookmark that is attached to it so you can keep your place! CONS: there is only one con (hence only one star deducted) I have is the pages are still thin like every other bible. So be careful because yes they will/may rip if you're turning too fast. Yes markers and highlighters will bleed through. I used a special non-bleed through bible highlighter and it still showed through.

Stunning bible! I waited months for it to be fulfilled and I'd wait longer if I had to. I love the feel of the textured cover, the colors are perfectly muted and I am so excited to explore every book's beautiful illustrations. Note the tabs were purchased separately off Etsy but match perfectly.

Perfect size, lettering also perfect size for easy reading. I use this Bible for church, for Bible study and for personal reflection.

Just as expected. The Bible is very pretty. If you are looking for a study Bible, this is not the right choice for you. But if you are looking for an easy to read, very pretty Bible....this is good for you!

I use my tablet for many things, including my Bible. The NIV is the version I am most comfortable with, so I installed it on the tablet. It is straight forward and easy to use, and I like being able to adjust the font size to accommodate my needs. The only drawback I have found so far is that it takes more effort than it should to go to a reference from the text and back to the text again. At this time, I set a bookmark on the current page, check the reference, and then go to my bookmarks to reselect the current page. I then can leave or clear the bookmark. If there is a quicker method, I would appreciate knowing what it is.

Absolutely love this Bible. It looks just like the pictures. Beautiful inside and out. Lots of cool illustrations throughout. Easy to read and very colorful. I would definitely purchase this as a gift. It is

well worth the money and makes me happy each time I read it. I have a few other Bibles but this is hands down my favorite.

It is great on my Samsung S5 smart phone, but I intended to use it on my Kindle. I read the Bible once a year and I noticed a problem my first day with the Kindle version. My very first couple of pages and I noticed that half a sentence was missing. It is particularly bad to have parts of the Bible missing when you want to read it. I was hoping to have the same NIV version as I have been using since the 1980s but this is a newer revision. There are minor changes in the wording/text but it seems fine.

This Bible is so pretty. It has increased my desire to get in the Word more regularly. Also nice size. One of the original reasons I purchased was because I had given away my two thinline Bibles I took with me everywhere and was left with my awesome but huge study Bible and just didn't want to carry it around with me in my purse everywhere. This is a perfect size and not too heavy. Also love the room for notes and the artwork. You will adore this Bible!
