I finally at book 3 and all the songs are very easy to listen. I love all suzuki book even my teacher isn't following suzuki method (I am adult). Highly recommended for any beginner. Overall I love this product.

Love the way Suzuki teaches and makes each phase of cello instruction easy to follow and the songs are beautiful.

NYSSMA book-exactly what we needed

Exactly as described.

This volume is full of great songs every single of them, and it is indeed the best repertoire for Cello.

I love dealing with this company! Great selection of music reasonably priced.

Vol 3 is full of position technics and advanced repertoire studies. A great course of study.

Another great book from Suzuki! My daughter just started this book and as with the other Suzuki Cello school books she has completed it is a nice collection of music that offers the student a challenge while continuing to instill the love for music.
