Frommer's EasyGuide To Chicago (Easy Guides)

Synopsis

Answering an insistent demand for this guidebook from loyal readers of the Frommer's series, our author, a longtime Chicago resident, has labored hard to capture the unique spirit of this dynamic city that every American must visit at some point of their lives. We cover establishments and attractions in all price ranges, but limit our actual selections to the best in each category. Thus, in the Easy Guide tradition, we don't drown the reader in superfluous detail, but reveal the preferences of our experienced author.

Book Information

Series: Easy Guides

Paperback: 256 pages

Publisher: FrommerMedia; Fol Pap/Ma edition (August 26, 2014)

Language: English

ISBN-10: 1628871229

Product Dimensions: 5.1 x 0.7 x 7.9 inches

Shipping Weight: 2.9 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 33 customer reviews

Best Sellers Rank: #155,182 in Books (See Top 100 in Books) #91 in [Books > Travel > United States > Midwest](#)

Customer Reviews

Kate Silver loves checking different countries off her list, as she explores the world in true travel writer fashion. But even more than that, she loves digging deep into her own city of Chicago, as she's done in the 2015 Frommer's EasyGuide. Silver specializes in travel, food and feature stories, and her work regularly appears in Washington Post, Chicago Sun-Times and Southwest Airline's Spirit Magazine. Before moving to Chicago, she lived in Las Vegas, where she co-authored Pauline Frommer's Guide to Las Vegas and Frommer's Las Vegas Day by Day.

I just moved to Chicago with my husband and three kids. Because we lived here before for a little while, I was familiar with some "must see" spots, but I wanted more. What comes after the Art Institute, Millennium Park, Lincoln Park Zoo, etc.? Well, this little guide gave me a whole lot more stuff to look forward to seeing and doing. Sure, those main attractions are in here, too, but the guide goes beyond the basics. It lists bike tours, neighborhood bars, theaters, museums, brewery tours,

and on and on. Just so many things I hadn't thought of before. And I know the suggestions are good because 1) the things I've done out of this guide have been really fun and/or tasty, and 2) the recommendations from this list actually overlap the recommendations given to me by local friends. Overall, I'm really happy with this guide, and I'd recommend it to people visiting the city for the first time AND to people who've lived here for a year or two but are interested in seeing more of the city. It's been an invaluable resource to me.

Frommer's guide to Chicago is clean and concise. It is complete and catches the essence of the Great City. It's easy to use and glossy. It covers all of the essentials of this great city. If you are going to visit or stay awhile, all the sights, the centers and flavors are represented in clear concise fashion

Typical Frommers. Informative and helpful in the planning process. We relied a lot on Yelp when we were out and about but this helped us create basically a list of things we didn't want to miss.

I've been using Frommer's guides for over 20 years and they never fail to disappoint. The reviews and suggestions are objective and the writing (especially in this guide) is entertaining and winsome. I particularly enjoy the tidbits, trivia and interesting facts that aren't included in other guides of this type. Looking forward to next year's addition!

Good guide to Chicago. I bought this guide book about a month before my week-long trip to Chicago. It covered all of the essentials (neighborhoods, transportation, restaurants, maps and such) quite well. The pages were colorful and easy to read.

Very concise and well written, especially as regards architectural sites

I've been to Chicago many times. I bought this for a friend that was visiting Chicago for the first time. I looked thru the book before I gave it to her and was happy to see that all the places I would recommend were in here.

We don't automatically like every Frommer's guide, but we really liked this one for Chicago a lot. Good suggestions, good maps, easy to navigate. We would recommend this guide to anyone.
