Customer Reviews

Milet Publishing is a leading independent publisher of books for children, young adults, and adults, featuring more than 300 titles in English and more than 25 languages that celebrate multiculturalism and multilingualism.

Dont buy this. The book is only a few sentences (one on each page). No plot, just a list of sentences. The Russian translation is wrong.

Love all the books in this bilingual series! For our Bengali-American family, it's great for helping our kid learn both Bangla and English and keeping us accountable for using both languages in our home. Also the images in the book depict a wide array of racial/ethnic diversity and non-gendered

actions. MFBB for the win!
