The Arab Spring: The Hope And Reality Of The Uprisings

Synopsis

Beginning in late 2010, peaceful protests against entrenched regimes unexpectedly erupted in a number of Arab countries, causing political upheaval across the region. Through contributions from noted scholars, *The Arab Spring* provides a comprehensive overview of the causes, key issues, and aftermath of these events. Divided into two parts, the book first examines the Arab countries most dramatically impacted by the uprisings, as well as why some of their Arab neighbors avoided large-scale protests. The second part explores other countries—inside and outside the region—that have a stake and interest in the uprisings. The second edition includes a new chapter on Iraq and coverage of developments in the region since 2012 and how they have altered initial assessments of the Arab Spring's effects. New part introductions and a revised concluding chapter provide contextualization and comparative analyses of key themes and broader questions. This is an essential volume for students and scholars seeking the fullest understanding of how the Arab uprisings continue to impact the region and the world.

Book Information

Paperback: 338 pages

Publisher: Westview Press; 2 edition (August 2, 2016)

Customer Reviews

Praise for *The Arab Spring*: "The best general book on the Arab Spring. Covers all the ground. Makes all the necessary distinctions between the popular uprisings. And draws many useful lessons." —Roger Owen, Harvard University
"A solid volume that sheds further light on the Arab uprisings. Students will find this book empirically rich and analytically rigorous. A welcome addition to the literature on the most significant peaceful collective action in the modern history of the Middle East." —Fawaz A. Gerges, Professor of International Relations at the London

School of Economics and author of *Contentious Politics in the Middle East: Popular Resistance and Marginalized Activism beyond the Arab Uprisings*; *The Arab Spring: The Hope and Reality of the Uprisings* is a critically essential, informed and informative volume for students, scholars, and non-specialist general readers seeking the fullest understanding of how the Arab uprisings continue to impact the region and the world in general, and United States foreign policies in particular. •

Praise for *The Arab Spring* The best general book on the Arab Spring. Covers all the ground. Makes all the necessary distinctions between the popular uprisings. And draws many useful lessons. Roger Owen, Harvard University A solid volume that sheds further light on the Arab uprisings. Students will find this book empirically rich and analytically rigorous. A welcome addition to the literature on the most significant peaceful collective action in the modern history of the Middle East. Fawaz A. Gerges, Professor of International Relations at the London School of Economics and author of *Contentious Politics in the Middle East: Popular Resistance and Marginalized Activism beyond the Arab Uprisings* *The Arab Spring* unexpectedly developed in late 2010 with peaceful protests in a number of Arab countries against long-standing, entrenched regimes, and rapid political upheaval across the region ensued. With contributions from noted scholars, *The Arab Spring* provides a comprehensive overview of the causes, the key events, and the aftermath of these revolutions. Divided into two parts, the book first examines the Arab countries directly involved and most dramatically impacted by the uprisings, as well as why some of their Arab neighbors avoided large-scale revolutions. The second part explores other countries both in and outside of the region that have a stake and interest in the uprisings. The second edition has been thoroughly updated to include coverage of developments in the Middle East and North Africa since 2012 and how they have altered initial assessments of Arab Spring's effects, as well as a brand-new chapter on Iraq. New part introductions and a revised concluding chapter provide contextualization and comparative analysis of the key themes and broader questions. This is an essential volume for students and scholars of the Middle East seeking the fullest understanding of how the uprisings continue to impact the region and the world. David W. Lesch is the Ewing Halsell Distinguished Professor of History at Trinity University. He is the author or editor of fourteen books, including: *Syria: The Fall of the House of Assad*, *The Arab-Israeli Conflict: A History*, and *The Middle East and the United States: History, Politics and Ideology* (with Mark Haas). Mark L. Haas is Professor of Political Science at Duquesne University. He is the author of *The Clash of Ideologies: Middle Eastern Politics and American Security* and *The Ideological Origins of Great Power Politics*,

17891989, and coeditor of The Middle East and the United States."
