Geraldine Woods is a high school English teacher and author of more than 40 books.

My son's Resource teacher used this over the summer to prep him for 8th grade. It's not as simple as it may sound and I've found it helpful when using proper verb conjugation, as well. Great worksheets and examples.

Ordered this years ago, found out the examples are really funny and entertaining. Definitely a fun workbook.

Okay but not the best for people that need to start at a lower level. A little confusing for poor readers.

look expensive and have nice quality

Very helpful

Satisfied.

Helps alot

Great! There is no substitution for homework and practice.
