Customer Reviews

Very detailed and through map of Brooklyn. Exactly what I was looking for.

Very complete and detailed.

Used for overview of Brooklyn - hard to achieve with phone apps

I was looking for a map I could mount on the wall. The product description did not include the dimensions. As a result I bought a map that's too big for my intentions. Otherwise, it's a fine map.

Helped me when I moved to Brooklyn to open up a restaurant. I needed to know the locations so I would be able to deliver.
