Stacy Strays Again: A Hotwife FantasyThe story continues and raises the heat to another level with Stacy becoming a full fledged hot wife. In this book we get a further look at the depth of her husbands fantasy drive to see his wife taken by another man. I am looking forward to future books where I hope the husband plays a much more active roll in the erotic scenes.

In part 1, it was sort-of cheating. Now in Strays Again, things are really starting to heat up as Bryce

and Stacy attend a party at Greg's house with the fullest of intentions of learning what it means to be the hottest of wives. And, by the end, it's clear that life is going to get even hotter. I voluntarily read and reviewed an advance copy of this book.

I was given an advance copy for an impartial review of this book. It was good to follow up on Stacy being bad. The first book was hot and this one was even hotter. Kind of looking forward to another sequel.

I am liking how the story is progressing. No humiliation and it even looks like he is going to get to play also. Looking forward to next installment

I was given an advanced copy of this book foe an honest review of it. I can honestly say I am now anxiously awaiting the next installment of 'Stacy Strays'. Smoking HOT story makes it hard to put down. Now Stacy's husband is involved and I can't wait to see where the story goes next. If you've ever read Lexi Archer then this is a must read!

this is Lexi at her best a great follow up to Stacy Strays. plenty of highly erotic meetings I enjoyed it so much that I had to read it twice
