

## Synopsis

This book helps you acquire and sharpen skills required to safely enjoy the outdoors. You will find details on how to hike/travel, in the summer and winter, "make a camp", choose suitable equipment, and understand your environment. You will learn how to search for food and water, find shelter, "read" the weather, and how to take care of yourself if you are injured (First Aid). Interesting topics as PANNING FOR GOLD, tracking, camouflage, dangerous wild animals, birds, fish, edible plants, poisonous mushrooms, and basic survival techniques are also covered.

## Customer Reviews

Paul Tawrell has written the best seller "Camping & Wilderness Survival" which is a 1088 page book with over 6000 illustrations and is the Encyclopedia of the outdoors. He is a member of the Outdoors Writers Association of America and the Outdoor Writers of Canada. He is also an avid photographer and traveler who takes photographs that specifically illustrate ideas presented in his books.

Awesome book for any outdoorsman. I like the way its laid out with illustrations and lots of random information about animals, plants, weather, shelters etc. Love it.Thanks

This was one of my favorite camping books as a Boy Scout, and after I lost this when I went to college, I wanted another copy. While it's a bit big to carry around on every hike, it's good study
