Sox & Martin: The Most Famous Team In Drag Racing

Synopsis

As the sport of drag racing exploded in the 1950s, two youngsters from North Carolina each rose through the ranks racing Chevrolets. It didn't take long for one of them to realize that if you couldn't beat him it may be best to join him. Buddy Martin approached Ronnie Sox about campaigning a 1963 Z-11 Chevy; and with that partnership, the most dominant duo in the history of drag racing was formed. *Sox & Martin: The Most Famous Team in Drag Racing* is a comprehensive archival recap of straight-line racing's greatest duo. Historic and modern imagery recapture the celebrated Plymouth race cars campaigned by Ronnie and Buddy throughout their legendary partnership. Also chronicled are the lesser-known Oldsmobile, Ford, Pontiac, Chevrolet, and Mercury mounts predating their time with Chrysler. The races, the cars, the events; all of it is covered here during this golden age of drag racing. Author Jim Schild, with the help of Buddy Martin, Herb McCandless, Jake King, Diane Sox, Dave Christie, and others, has created the most exhaustive, authentic review of the illustrious drag racing career of Sox & Martin. Great book. I remember watching Ronnie race against the other great drivers of the day in the early Pro Stock years. This book educated me on the early Sox and Martin cars. I enjoyed it.

Good book very informative I have always been a Sox and Martin fan, my race car is painted in there color scheme it is a Plymouth also.

My favorite team of all time, because in addition to their other cars, they raced the '69 RoadRunner!! This book contains excellent narrative discussion of the guys, and the team. Illustrated with the most beautiful pictures of the cars the team raced. Lovely, excellent color. What a wonderful walk down memory lane!!!

best book ever on S&M. It covers everything!

pleased with purchase

As a personal friend of Ronnie, This book told me things that I did not know and I grew up with him. Well written. Great! Pictures. A must have for Drag Racing Fans. Jim Schild did a heck of a job.

If he is not your hero then you never saw him race. I don't care what your brand preference is. A true professional, and the book does an excellent job at showing us why.

Well written excellent photos very good book recommend it to any old timers, and young one's that want to read about a great time in drag racing history in this country.
