ISBN-13: 978-9562912662

Product Dimensions: 5.5 x 0.2 x 8.5 inches

Shipping Weight: 4.2 ounces (View shipping rates and policies)

Average Customer Review: 2.0 out of 5 stars 1 customer review

Best Sellers Rank: #483,188 in Books (See Top 100 in Books) #85 in [Books > Reference > Writing, Research & Publishing Guides > Writing > Academic & Commercial](#) #2128 in [Books > Reference > Writing, Research & Publishing Guides > Writing > Writing Skills](#) #3247 in [Books > Reference > Writing, Research & Publishing Guides > Writing > Fiction](#)

## Customer Reviews

I bought this book as a reference for proper source citing and a grammer check when I write papers. I actually meant to get the 5th edition version and not the special edition. I guess the look that book was aiming for was first edition. The font and the paragraph layout on the pages looks like someone wrote the book on his type writer in 1925. The table of contents is not extensive and when you flip through the book the subject headings are simply in italics with no extra spacing to divide up the sections. The only saving grace for this book is the index. I don't feel that you can use this book as a quick reference guide to look up a grammer rule at all. Maybe one day if I am trapped in a place with no other reading material, windows, people, television, or a deck of cards I will sit down and read this book like a novel because when you open the book that is what it looks like. It is not a user friendly manual at all.
