My Halal Kitchen: Global Recipes, Cooking Tips, And Lifestyle Inspiration

Synopsis

Yvonne Maffei is the founder of the hugely popular cooking blog and Islamic lifestyle website My Halal Kitchen. Her new book, *My Halal Kitchen: Global Recipes, Cooking Tips, and Lifestyle Inspiration*, celebrates halal cooking and shows readers how easy it can be to prepare halal meals. Her cookbook collects more than 100 recipes from a variety of culinary traditions, proving that halal meals can be full of diverse flavors. Home cooks will learn to make classic American favorites and comfort foods, as well as international dishes that previously may have seemed out of reach: Coq without the Vin, Shrimp Pad Thai, Chicken Tamales, and many more. The book also includes resources that break down the basics of halal cooking and outline common non-halal ingredients, their replacements, and how to purchase (or make) them. As Maffei often says to her million-plus social media followers, halal cooking elegantly dovetails with holistic living and using locally sourced, organic ingredients. In the halal tradition, every part of the farm-to-fork cycle has importance. This book is an ideal resource not only for Muslim home cooks, but also for any home cook looking to find delicious and healthy recipes from around the globe.

I recently received my copy of this cookbook in the mail, and I'm thrilled!! I've been a frequent visitor of myhalalkitchen.com for a few years now, so I was very excited when I found out Yvonne Maffei was publishing a cookbook. The same creativity and precision which is evident on the website can be found in this book. The layout is gorgeous with elegant designs and beautiful (and mouthwatering) pictures. The cookbook features recipes from various ethnic cuisines and shows how to make popular dishes in a halal way without using pork or alcohol. I recently made the coconut balls as a dessert, and they were an absolute hit! With its hardcover, glossy pages, beautiful layout, and delicious recipes, this cookbook makes an excellent gift for anyone!

I am so excited! I have waited for this book for about a year and it is finally published! So great for my friend that eats halal and American.

This is honestly a great book! Recipes are easy to follow and the ones that I tried ALL came out delicious, lots of variety when it comes to the recipes. I highly recommend this book.

I absolutely love this book! And the kindle version makes it even more versatile to bring into my travels and still be able to pull up a delicious recipe. I also enjoyed the straightforward explanations on how to recreate traditional recipes into halal versions and using simple substitutes. Highly recommended to all households!

Fantastic cookbook!! Very informative about Halal cooking and delicious recipes inside. I highly recommend!!
