Crosswords never caught on with me, but recently I explored nytimes.com, our internet home page, and got to the crosswords. They are presented in a terrific format, but I couldn't save what I'd done to come back to later. So I went to mother, , and found this book. I agree with the other comments (except the puzzles are just the right degree of difficulty for me). It would be nice if the book were spiral bound and a larger book size, but It's ok.I've completed the first three puzzles and had a lot of fun doing them, then ordered books for two friends.Many of the words are fun surprises, sometimes two and more word answers, although I have to work around the band leaders, singers. Good there are not a lot of arcane (showing off) words known only to experienced puzzlers. It even kept me awake until ten last night.I'm going to patent an eraser on a string (continually losing it in bed and chair) and make millions, and get our cat her own eraser.

Just right to begin my day over a cup of coffee. Not too challenging and not too easy. Perfect for leaving the fog of sleep behind and starting my day.

This is a small book. It is hard to keep it open to work on your puzzle. It is hard to write in too because it doesn't open easily.

The dimensions of the book are given further down the page in the details, but I didn't read them. Having purchased many crossword books, all of which were spiral bound and at least 8.5"x11", I never suspected that this book was tiny. It is really too small to write in or keep open, not worth it. The fact that the book is pocket sized should be included in the heading description, so others are not disappointed like I am.

I'm lovin this book. I'm a Monday and Tuesday gal and this book is perfect for me. Definately recommend it. It's just challenging enough without getting frustrated and well, you know.

not so easy! i can complete only about 40-50% of these puzzles. If you are a true beginner, tryÃ A The New York Times Easiest Crossword Puzzles: 150 Very Easy Puzzles (New York Times Crossword Collections)

I enjoy crosswords and these Shortz ones are my faves as long as they are Monday puzzles. I like a challenge but I can't handle the end of the week. These are perfect. i have to think but I can

sometimes do the entire puzzle or close to it. I don't look up answers. I really dislike the puzzles that are so easy that there is no challenge.

The quality of the puzzles was just right. Mostly easy but enough challenges to make them interesting. Book was in excellent shape and arrived in timely manner. Thank you for such a good experience.
