A Missal For Toddlers

Synopsis

This simple, durable and lovely illustrated missal allows a young child to follow the prayers and actions of the Holy Mass step by step. The prayers and colorful pictures show a boy and a girl at Mass with their parents, what they say and what they do, as well as the words and actions of the priest. The mystery of Jesus, who died on the cross, rose from the dead, and opened the way to Heaven for us, is the essence of the Holy Mass, which a child can enter into little by little with the help of this charming book. Color illustrations throughout. Ages 3 and up.

Customer Reviews

We have loved talking about this book with my son (almost 2 1/2), and then bringing it to Mass. He can recognize what we're doing at Church from his book, and he can look ahead in his book to see what's coming up. It's definitely not super comprehensive or detailed about the entire Mass, but it's perfect for his age!

Great book for kids to read about church. Not meant to follow along mass

Daughter-in-law very pleased with this!

This book is perfect for a toddler to take to church.

Nicely done, great illustrations.

Wonderfully put together and easy to follow with simple pictures and words that correlate with what is going on in the mass. Exactly what I was looking for for my 2 year old.

This book is perfect! It's a great companion for my little toddler. The material is super resistant and I think we'll have it for a while. I love it!

Very nice for 4 year old
