Customer Reviews

Just started this book my 2 daughters, 2 weeks into it now. I love how the beginning it captures their attention by a story that relates to the devotional teaching. Best book yet we have used and we have been through about 5 yearly devotional books.

Our children enjoy the devotions. We like that the Bible principles are presented in a way they can

understand and use in their daily lives.

My daughters love this devotional and we have read it for several years now, often coming back to it after trying a new one. The stories almost always involve scenarios with kids and it's very relatable tying it into scripture. Perfect for a family devotional time or reading it every night at bedtime. It has spurred some good conversations about faith.

This is perfect for my 7 year old, and as it lasts a year we can reuse it and return to verses and devotions as you would re-read passages of a bible. It is a little too old for my 4 year old though.

This is what our church gave to the students in the 4th grade who memorized 7 hymns in our hymn memorization challenge for the year. It is a great devotion book for this age. There is a devotion for each day of the year, a great way to train the children to begin devotions in their life.

I think the devotions are good, I have my nine year read one every morning before he does anything else and he seems to enjoy them.

Short daily scripture based daily devotions that are easy for children to understand. My son loves this book! There is a story about a child in each devotion. Very relatable. Daily scripture. And a daily thought or activity to emphasis the point.

Great devotional for grade school children to adults.
