Joyce Meyer is a victim of the physical, mental, emotional, and sexual abuse she suffered as a child. Yet today she has a nationwide ministry of emotional healing to others like herself. Joyce Meyer is the bestselling author of more than seventy inspirational books, including *THE CONFIDENT WOMAN*, *LOOK GREAT, FEEL GREAT* and *BATTLEFIELD OF THE MIND*. I am not a victim of abuse like Joyce Meyer, but I am so thankful for this book, because it was

healing for me in ways I could have never imagined. If you are burdened by anything that you don't seem to be able to get over, this book can help you, too.

Great book with lots of information and wisdom! I recommend this to anyone who has experienced abuse! It revealed so much of the "why do I feel like this" or the "why do I respond like this" and so on! Was a great place to start my healing process!

I liked this book a lot because it has a lot of helpful verses and it really helped me understand God's character even more. This book digs a little deeper and helped me learn more about the promises of faith and dedication. It gave me more strength and encouragement to keep going and to keep seeking a God diligently and to help others all around me no matter if they receive the truth or not. I'd recommend to anyone no matter their problem, even if they don't have a huge problem I think it could still be very informative to others. I feel this book could help bring a new perspective to just about everyone because many people don't realize the truths we all need.

I have been putting off reading "Beauty for Ashes" for awhile. The timing was just right for me to pick it up and begin reading. I have been dealing with a lot of what Joyce mentions in her book and the reinforcement of how to deal with it just infused God's power into my life afresh. Who knew that could happen with a book! Thank you Joyce for your faithfulness to God that His people would get blessed and be powered to run their race.

A person will never heal until they are willing deal with their past hurt or abuses - no matter how terrible they are, until they allow God Almighty to do that healing. Joyce Meyer's testimony of the abuse that she endured and how she was able to break free from the false guilt and pain that she dealt with is a great encouragement to know that one's life is not ruined and that there is a great hope and future blessings in store for those who look to God for their healing. Its time to break free from the bondage of abuse, the bondage of depression, the bondage of false guilt and realize that today is the start of the rest of your life, with Jesus there truly is a hope and a future to those who turn to Him for their healing.

My dear friend, who had undergone sexual abuse by her uncle and grandfather before age 5, and again by her domineering husband at age 35, found healing truth, guidance, and steps toward recovery in this wonderful, bible-based, advice book by Joyce Meyer. Another of Joyce Meyer's

books, "Managing Your Emotions Instead of Your Emotions Managing You" has helped continue her recovery and given her tools to deal with life in a healthy manner which helps her to realize joy - something which had eluded her until now. Managing Your Emotions Instead of Your Emotions Managing You

Love this book by Joyce. I ordered this for a young lady in prison who has become my pen pal. She was sexually abused by her grandfather for years. I felt the Lord wanted her to have this to know He would bring healing to her life as He has with Joyce Meyers and many others. She wrote me saying she couldn't put this book down.

This is an easy read for a difficult subject. Beauty for Ashes is applicable for victims of sexual abuse or any type of abuse. Joyce Meyer gives Biblical guidelines that are easy to understand and follow to find freedom and healing in Christ. Become a victor and no longer a victim!
