Synopsis

When Alexander buys the land for his new airstrip, he never imagines the home on it is still occupied. But after he lays eyes on Liliana, he decides she's his property now. She's been surrounded by females her whole life, but when Alexander walks in the door, she knows he's there to save her. He's claiming her, no matter how untouched she is. Will Liliana fight or let Alexander have his way? Will Alexander keep her locked away or set her free? Will there be enough steam in this book to start your own sauna? Only one way to find out! Customer Reviews

First off let me say isn't this cover GORGEOUS!?! After reading Untouched I was very disappointed and wished I'd left the book untouched. Granted AR is all about insta-love and sweet and cheesy

love stories, this one was just too much for me. There wasn't much 'story' to the book. Majority of the story is about the two getting their naughty on. I've read every single book AR has written and I have to say that not once did I wince or get grossed out when reading their books, until this one. There's just something about how Alexander got excited for her "teenage" Pu\$\$y that just turned me off. And "baby batter" WTF??

I was so disappointed. It was like the author was trying to rush through something just to put it out there to make a buck without any care about her fans. There was no story...just effing. It also ends at 32%. I absolutely hate feeling tricked into spending money I never would have had I known there was really no story. In fact, it kind of smacked as an older man involved in sex with a minor who really wasn't right in the head. The girl in this snippet was completely lost to reality and sounded like she needed to be resting in Pineville...that is a mental institution. Just no.

I have to say these books are just great when I want a lil cheesy luv at first site and a virgin I know where to go and I'm never disappointed and I wasn't with this book. This will be quick Alexander had brought some land he went to house and saw the gorgeous Liliana and they both wanted each other straight away. Alexander is a strong sexy rich very alpha man and when he wants something he gets it. Liliana is a teenaged virgin and has been lonely all her life and was waiting for her princess charming. They're smoking hot from the start to finish. Him wanting to breed her straight away and her loving. Got to luv these to authors xxx

This felt like a middle school writing project. A billionaire (age never given) goes to a property he just purchased, a very young woman, in a nightgown, runs into his arms and he decides he must have her! They go inside and have a lot of unprotected sex. He talks about her being bred and her being a teenager! So this adult male is trying to impregnate a young, naive, teenage girl within minutes of seeing her! Not at all creepy!

I couldn't put this one down till I reached the end. Alexander and Liliana's story is unbelievable but hot anyway. I wasn't sure I would like this one as it's not like Ms. Riley's other books that I've read. It is short, hot, smutty and oh yes did I say unbelievable. But I would definitely read it again.

If you love Alexa Riley (which I do) you know insta love is almost a given. I'm fine with that but this, this was too much, too fast but missing a lot. If I'm thinking something is too far fetched then it's

gotta be way out there. Steamy and sexy as all get out but usual set up that make these short stories work was missing in this one.

I loved this book. Just the right length to read just before bed. Love Alexa Riley's books. They're smutty and sexy and oh so good.

A sexy story about a girl you feel is a woman but repressed at the same time basically thinking everything is a fairytale and the hero you think is going to take advantage of her naive ways but instead makes her his princess.
