She's never came across a man of his caliber. He's rude, cocky, arrogant, and sexy as hell. He's every woman's dream that turns into a nightmare. Monsta is what the streets consider a menace. He gets what he wants by any means necessary. He takes whatever he wants with no questions asked. One of those things he decides to take is Money's streets. An all out street war is started over territory. Unbeknownst to Monsta and Serenity their little fling is going to start more issues than they need. New must READ so much going on the plot was cool. I hope the couples come thru and she still pregnant and what happened to her son that she only spent a month with. I can't believe her so call "father" Money is a joke and Monsta need to get some act right.

Mz Lady P this book is good from start to finish I've read all of your book. Jah and serenity are made for each other I feel so sorry for serenity she has been through so much betrayal by her father keeping her son away from her for 7 years since he was born .then Money killed her son that she just got to know . Then her heartbreak from her ex then currently jah.. the man she loves.Then to find out that MONEY IS NOT FATHER ALL THESE YEARS. Smh jah did love her even he has personal issues within himself. I hope her father money get what he deserves PLEASE DELIVER PART 2 .. Also I'm hoping for part 3 in Thug legacy with the Kenneth's family

I love Mz.Lady P I have actually brought every last one of her books. This book started out good. But then it seemed like everything was rushed and too extra and unrealistic. Hopefully book two will be better.

This book was all over the place. Not gone lie I found myself skipping pages. Like how many times can a person get kidnapped! I will read part 2 because I wanna know what happened!

really interested in this when it started. By the middle of the book I was less than enthused. The storyline seems overly dramatic and I found myself wanting this to end as a standalone. Serenity & Monsta interestig folks. the re-emergence of Serenity's old flame with their child and her fathers just deplorable behavior to her and Keelah just ridiculous. I will read book 2.

Ok so I had this book in my kindle for a week or so and finally decided to read it and I'm sooo mad that I waited so long I'm very mad that baby c is dead money need his tail whooped he used

everybody as a pawn in his game... I knew the cop chambers was working with money jah is cool keep baby and ducky gone get together overall good book ready for part 2
