The Santana Brothers

Synopsis

Being the son of an ex-drug lord, you would think the Santana Brothers wouldn't have a worry or problem in this world. Not only is that so far from the truth, but, they actually just might have it a little worse. Islah Santana just finished doing a 15 year bid for the gruesome murder of his biological mother. Being free isn't as easy as he thought being that he's holding a big secret from everyone and a stranger threatens to expose his darkness. Ingram "Ingo" Santana is a multi platinum selling rap artist who has never got over the death of his mother. Though he was just a boy when it happened, the love for Islah had been long gone and he desperately tries to gain it back. Ivy Santana is different. He loves Islah, right or wrong , no matter what he may or may not have done. Ivys problem stems from trying to be committed to his long time girlfriend Maliyah but problems around him arise which stops him dead in his tracks. Keith Santana.... well, that's for you to find out . Take ride down south, thru the mean streets of Houston, TX, as the Santana Brothers show us the illest shit we've seen in a while. Welcome to the family.
