Super Energy Smoothie Like the name suggests, this smoothie is an amazing source of energy that puts all energy drinks to shame, and just in case you are wondering what energy has to do with weight loss, can I just ask when when was the last time you busted out some hard workouts while extremely tired? Exactly! The ingredients for the recipe include: 1/4 of a whole medium sized pineapple 1/4 of a whole medium sized watermelon 1 cup of coconut water 3 handfuls of baby spinach 1 cup of blueberries 2 green apples or 2 bananas Ice cubes Mojito This smoothie contains a higher amount of fat than a lot of the recipes in the book. Fat does not equal weight gain, in fact it can actually help you lose weight. Fat halts or reduces the amount of insulin

your body needs at one time in turn meaning you have less insulin in your blood stream. This is a wonderful dinner smoothie if you are too tired to cook. For this smoothie you will need: 1 C coconut water 2 T hemp seeds 1 teaspoon spirulina 2 T fresh lime juice 1 avocado 1 banana, frozen 2 dates, pitted 1 handful mint leaves Would You Like To Learn More?=> Scroll up and click the buy button to get your copy now!

I recommend this book to anyone looking for new smoothie ideas. If you like me I usually end up making my own recipes from a couple I find in these books. Or I find one I really like and enhance it a bit with spices I like. You'll find some great recipes in here for losing weight or for just everyday drinking to stay healthy.

A little disappointed in this book; you can find much of the info in the book on the internet.

This book will explain to you the importance of weight loss and how you can lose weight by drinking smoothies. But not just any old smoothie, you must add the proper ingredients to truly aid in your weight loss. There are many delicious sounding recipes in this book that will tempt you to try them. Whether you like berries, peaches, kale, etc you will certainly find a smoothie that you will enjoy.

Well written and easy to read. Very informative, lots of good info and recipes. Great advice on which greens NOT to use in a smoothie. All the recipes are very easy and simple to make. I can't eat bananas and there are several recipes without bananas, which is a huge plus for me. Looking forward to trying some of these out on my new blender!

Firstly I would like to state that the cover looks amazingly delicious , wow!!!! I hate eating vegetables at times and this book has given me great ideas to implement them in a way that still tastes great and is healthy as well with an added bonus that I can lose the unnecessary weight . The recipes in this book were easy to follow and it seems like the smoothies would be delicious. I highly recommend!!!

excellent

Wasn't too impressed with these smoothies. Guess I am just not a big smoothie drinker.

lots of good recipes
