Customer Reviews

There is much treachery going on with these characters. Chocolate is not as innocent as she claimed to be. Her behind is trifling. California finally realized that her father is manipulative. She was possibly about to get into a situation without fully knowing why. Snow is really on a hunt to find

out what happened to Trey. However she doesn't have far to look to find the answers she's looking for. Shawna know she's scandalous and money hungry. She proved that she will go through any length to get it. Beautiful is one deranged chick. Cisco has a heavy secret he's keeping. He should know that some secrets aren't made to stay hidden. Meechie is ready for some payback. Ya-Yo caused all his problems on his own. It's only so much that a person can take before they'll snap and he had to find that out the hard way. I'm looking forward to reading part three because this ended with one helluva cliffhanger.

Ok, I was low key hoping for different results on these relationships. I'm going to do my best to not give anything away!!! Ok Ms Chocolate and Ms Snow....the hospital scene was real, I could envision it happening. And the incident at Yayo house with him and Chocolate....also could picture the visuals. It seems Cisco has been very busy!!!! Wow....and that ending is one for the record books!! And ol' Chocolate is not as innocent as she seems.....soooo with all that has happened, I'm just wondering who's going to end up "happy"? Not feeling one relationship though....guess which one....LOL!! Good job Redd....

This book was so good...each chapter had me captivated. Just when I thought I knew the answer to something it would turn out to be something different. I don't want to give anything away but I was shocked with the ending and I can't wait to see how all of this unfolds.

Authoress Redd did her thing again, she gave us another 5 plus Star book. Just like Part #1 book there was plenty of Drama. Part # 2 have much more Drama and Action. Can't wait for Part # 3 of this saga.

OMG the twists and drama keeps on coming, couldn't put this book down. Did not take me long to finish this one. I highly recommend this book as well.

Looking forward to part 3 I'm so anxious to find out what happened to snow. I'm on edge I highly recommend this book.

5 STAR BANGER fah realz! Man whose lovin who???Chocolate is low down, where do I start? Shawna/Trey/Carlos/Chocolate what a messed up web to weave, right? I am sick behind this betrayal. California eyes have been opened to the revelation her Daddy is no saint and now there is

HELL TO PAY! Will her and Snow's friendship continue? Yam and Snow, BJ and Chocolate? Wow the stories are getting crazier and Meechie is now on the payback mode. Part 3 got me pulling my hair out because it is going to be exploding all over the place and when those skeletons fall out the closet, all I can do is hold my heart, because forgiveness will not be in the vocabulary!

Ok now this series got me all the way messed like I don't think I can wait another month or two for part 3 I need that in my life right now cause the

that's going on in this book got me on the edge of the bed I need more lol your Biggest Fan and Supporter Sincere Johnson
