The Oak Inside The Acorn

Synopsis

It was hard for Little Acorn to believe he would ever be a big, strong oak tree. Soon Little Acorn grew into Little Oak. But now what was he to do? He couldn't grow oranges like the orange tree or flowers like the rose bush. He just grew and grew until he became Big Oak, and his branches were big and strong-but still he didn't know what he was to do. Then one day Big Oak found that his strong branches were just right for a very special purpose. The Oak Inside the Acorn is the story of the miracle inside each of us. For within every child is the special person God created, just waiting to grow.

Book Information

Paperback: 48 pages

Publisher: Thomas Nelson; 41868th edition (May 2, 2011)

Grade Level: Kindergarten - 5

Customer Reviews

With more than 130 million products in print, Max Lucado is America's bestselling inspirational author. He serves the Oak Hills Church in San Antonio, Texas, where he lives with his wife, Denalyn, and their mischievous mutt, Andy.

Nathan Larkin reads Lucados story of Little Acorns journey of growth and development with maternal tones and appropriate sound effects. Soft music plays as Little Acorns stem breaks away from his mothers branch, and he tumbles into a farmers truck filled with orange trees passing underneath. His mothers parting words--grow and become all you can be--linger long after her leaf-filled branches disappear in the distance. Sounds of a braking truck and shovels send Little

Acorn spinning into the soft dirt beside a recently transplanted orange tree, and this engaging story of what develops begins. Larkins delivery, especially his timing, enhance a tale that children will ask to hear repeatedly. This is a great addition to our school library.It was just as described and arrived very quickly.Thank You for your outstanding service.

It ended abruptly but the kids enjoyed the story. They wish there was more. We enjoyed looking at life through the eyes of an acorn.

the book is great but on the Kindle edition the pictures (which are a main attraction to the book) are miniscule! It's too bad...

Another wonderful book by Max Lucado. We bought this for our grandson for Easter and he seemed to really enjoy reading it.

The author has another children's hit

Very cute book! my daughter loves reading this at bed time and it is such a sweet story.

See previous review. The children love it!

I usually find Christian Children's books to be hokey, unoriginal, and poor quality. This book, while a bit hokey at points, was original and great quality. The pictures are lovely. The story is a bit long for most younger (the under 3 crowd) children to sit through. My acorn obsessed two year old loves the pictures, though. I liked the story. It did get a bit muddled in the end with what Big Girl was doing or deciding. But overall, it is a great story. As a parent, this book might bring a tear or two to your eye as you read to your child. The message? Be the person God has created you to be.
