Diagnosis And Treatment Of Common Skin Diseases

Synopsis

This is the second edition of a book first published 15 years ago as 'Dermatologic Drug Directory'. The book was originally intended as a guide to the drugs required to treat skin diseases. However this new edition is far more of a pictorial aid to the diagnosis of common skin diseases. The first section of the book does still discuss Systemic Drugs, Topical Therapy, and the Side Effects of Drugs, but it then provides a large lavishly illustrated section on the Instant Diagnostic Criteria and Treatment of Common Skin Disorders. Also available: Fundamentals Of Pathology Of Skin - ISBN 1848290136 Mini Atlas of Dermatology - ISBN 1905740131 Anshan Publishers is a publisher of fine medical, scientific, and technical books.
