This book was the best one Soooooo far and I can't wait to read on I fill so great reading these books, but in these books you have to read the begin to understand it.

I would recommend this book to early teens and young girls between the age of 9-12 because this is a truthful and reality book that makes u think should I do this or should I do that and it seems to that u have 2 choice, either do the right thing or do the wrong thing

It is about a girl who is working to live a strong Christian life. She let's the guys know that she isn't interested in them yet. While being a good friend!
