Customer Reviews

Set includes: 2008 Dining Out Companion, 2008 Complete Food Companion, Meal Survival Guide, Weight Watchers Coupons, and 3 Month Journal.

I ordered this "set" for myself because I had misplaced my other set. When it arrived, it only contained the food companion! Last time I checked, a set was two, as in the items description. Might be the last time I order from an authorized seller through . Luckily was nice to send me a return tag, we will see how long it takes for a refund to be made from the seller.

The order is not complete. I've only received the Dining out Companion. It is supposed to be a set -- as in TWO books.

I looked everywhere for these books. I went to the weight watcher meetings and they didn't have them. I went to book stores and couldn't find them. I looked here and there they were. I received the items on time and in good condition.
