gift for my nephew who was born in Colorado but has moved back to be closer to family. Great board book that visits all the great sights and places of Colorado.

Cute book and my two year old really enjoys it. My one complaint about the book was that I felt like it left out some really good parts of Colorado. I didn't see any mention of Estes Park, Fort Collins, the Garden of the Gods, Etc. In fact I've lived in Colorado for 20 years and I've never heard of quite a few of the places in the book.

I would love for this book to include Boulder, and to omit the exploitation of cows as commodities.

Love the book but when I received it in the mail there was some wear on the corners and edges. It was disappointing since this was a gift.

A gift for sweet baby whose family moved to the mountains in CO. Perfect move present I was told they love it!

Very cute book! Our 3 year old is obsessed with Colorado and the mountains and this book is perfect for her.

We moved to CO from CA when my son was 3 months old and his Aunty gave him this book. Since then I have bought Good Night CA, HI, NY and my son loves them all. I have also given these books as gifts to friends who are moving and their kiddos loved them, too.

Love this kids book! It's great to have a book so specific to where my cousins little one is going to

grow up!
