Just what I needed for going to Las Vegas. Great quality.

This map is just ok. Although it has a monorail symbol on the map, it doesn't tell you which casino that station is at. Also, it does not have the Linq on it all all. The map shows a number that you have to look at the key to figure out where the High Roller is--it isn't graphically represented on the map. It shows a dot for SLS but not the building like it does for other casinos. It just isn't complete. However, I have not found any inconsistencies in the roads.

Not really helpful, missing a lot of streets! More of an overview and not advisable for a newcomer!

Nice larger fold out laminated map. Well designed. Easy to read.

Perfect for a trip to Vegas.

Just enough detail to keep us on track when moving about in Vegas. Handy size and easy to carry.

Useful

This map provided an easy way to navigate a busy city.
