Product Dimensions: 9.4 x 3.9 x 0.5 inches

Shipping Weight: 1.6 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars 5 customer reviews

Best Sellers Rank: #558,548 in Books (See Top 100 in Books) #15 in [Books > Travel > Europe > Sweden > Stockholm](#) #93 in [Books > Travel > Europe > Sweden > General](#) #1171 in [Books > Reference > Atlases & Maps > Travel Maps](#)

## Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.

The coverage area was too limited. The city bus lines cover more area east to west, so for my purposes it was poor. It didn't live up to it's description.

VERY clear, easy to read, has all the major sights, plus hotels and public transport system. Inset of Gamla Stan is the best I've seen, all streets labeled, even the small ones. Of course, its a very large paper map and a bit awkward for walking around with, but absolutely the best map of Stockholm.

Helpful

A must for any traveler who needs to find any location in Stockholm. Larger scale than country map, more detail than a tourist guide book. If you don't know your way around Stockholm or don't have GPS, don't leave home without it!

This large map shows everything in great detail with the various points of interest marked and identified (palace, the museums, even some of the hotels) so easy to plan a route. It even shows which streets are pedestrian only which is a great help. The guide books were great at telling me what to see, but not very good at how to get there. The tiny, incomplete maps in the guide books I bought were hard to read and left out a lot of streets as I found out when I got this map. I would call this a must buy if you will be exploring the city on foot.
