Over The Garden Wall: Tome Of The Unknown

Synopsis

Based on a Emmy Award-winning Cartoon Network miniseries, Wirt and Greg are brothers, lost in a strange and endless wood called the Unknown. To find their way home, they must make it through this eerie place, where their only guides are a sardonic bluebird named Beatrice, and an elderly Woodsman. But as things become stranger and stranger, can they find their way out...alive? Written by the show creator Pat McHale (ADVENTURE TIME) and illustrated by show storyboarder Jim Campbell, OVER THE GARDEN WALL features tales that fill in the blanks of the critically acclaimed miniseries, making it an essential companion for your own journey into the Unknown!

I love this book! The illustrations are gorgeous and the stories are sweet and odd with a hint of darkness, just like the show. I especially love that there is sheet music in the back of the book. My sister and I had great time playing them on the piano and singing them at the top of our lungs. If you

are a fan of the show, I highly recommend this book.

Wonderful book! I originally was taking my time collecting each comic individually for this amazing show. However I am very glad to have found this nicely sized book that contains all of the first issues in order, each one reads like a potential episode and I found myself laughing a loud at some parts! Great stuff, would recommend to any fans of Over the Garden Wall!

For anyone who loves Over the Garden Wall this is a cute and fun collection of stories that fill in time gaps and makes you like the existing TV series even more enjoyable. I highly recommend it to fans of this series

I absolutely loved the stories, they felt like watching the show again. Some of them are lighter while others give you deeper insight to some of the characters. Well worth buying.

Amazing book!

Wonderful, plus, they had sheet music. My son is learning the songs on piano. An unexpected surprise.

Weird.. but in a good way :)

Fascinante regreso el mundo de Wirt & Greg
