The Tasha Tudor Cookbook: Recipes And Reminiscences From Corgi Cottage

Synopsis

Tasha Tudor, beloved children's book author and illustrator, has at last written her long-awaited cookbook. In words and the enchanting watercolors for which she is renowned, she shares the recipes she has gathered over a lifetime - some that have been passed down for generations and some that she created specially for her children and grandchildren. These traditional recipes recall an old-fashioned New England lifestyle and summon up Tasha Tudor's own warm family memories, which she shares here with her readers. Tasha Tudor's recipe collection includes summery picnic salads, hearty winter soups, and breakfast treats like Great-Grandmother Tudor's Cornbread, Blueberry Coffee Cake, and Butterscotch Rolls. Her main dishes - Roast Chicken with tarragon and sage, vegetable-laden Beef Stew, and Salmon served with homegrown peas - are the prelude to her irresistibly rich desserts, including a luscious dark chocolate torte and English Toffee Bars. At Tasha Tudor's Corgi Cottage, Christmas celebrations are the high point of the year, filled with the kind of food and wholesome fun that harks back to an earlier time. Her recipes bring family and friends together to make her well-known gingerbread Christmas tree ornaments (which have been displayed on the White House tree), and such seasonal favorites as thumb cookies and pulled taffy for wrapping as gifts or for putting in paper cornucopias to hang on the tree. All of these authentic, tried-and-true recipes are presented for the first time with some fifty original watercolor and pen-and-ink drawings in this beguiling keepsake kitchen companion.

Customer Reviews

If you know who Tasha Tudor is you probably have this prized cookbook. If you don't, then I urge you to get one for yourself. This delightful book is hand illustrated by the author and includes simple and easy to create recipes. It will become one of your kitchen favorites and also a ready gift for that special sister or friend.

This is a delightful cookbook. All recipes have been a success. My family especially enjoys the roast beef and Yorkshire pudding. The Christmas cookies and the vanilla caramels are stand bys for the holiday for us. The pineapple upside down cake recipe is the best I have ever made. I have purchased this cookbook at least four times to give as gifts.

I bought this for myself a long time ago. Aside from the fun illustrations, the recipes are very good. Especially mashed potatoes with cream cheese! So I bought a second copy to give as a retirement gift for a friend who said she planned to do lots more cooking in her free time. She likes it too.

I'm a Tasha Tudor fan anyway, and when I came across this cookbook, I knew I had to have a copy. The recipes use simple ingredients, and the instructions are easy to understand. Recipes are the made-from-scratch sort. This book is a special treat for those who love to linger in the kitchen. Interesting reading on nearly every page that you can enjoy while you complete your cooking. Recommended for cooks of all ages.

Bought this as a gift. Can't wait to give it to her! We both love Tasha Tudor writings and pictures, so I think this signed recipe book will be treasured.

I have to admit to being a Tasha Tudor fan so this book was very welcome in our home. Then, I began to read the recipes and the delightful little anecdotes she shared and it became a treasure. I am cooking several of them for the Easter Holiday and will be baking some of the cookies when our little granddaughters come to celebrate Grandpa's birthday later this month. The illustrations are wonderful as you would expect and the insights into her life brings a whole new perspective. Love this book and would recommend it without hesitation.

Tudor's illustrations are amazing. Definitely a book to hand down from generation to generation.

I very much like this cookbook as I have always admired Tasha Tudor. I must say I felt surprised

and a little disappointed to see "Velveeta" called for in a recipe for macaroni & cheese. I expected recipes with fresh, authentic ingredients.
