THEODOR SEUSS GEISEL aka Dr. Seuss is one of the most beloved children's book authors of all time. From *The Cat in the Hat* to *Oh, the Places You'll Go!*, his iconic characters, stories, and art style have been a lasting influence on generations of children and adults. The books he wrote and illustrated under the name Dr. Seuss (and others that he wrote but did not illustrate, including some under the pseudonyms Theo. LeSieg and Rosetta Stone) have been translated into thirty languages. Hundreds of millions of copies have found their way into homes and hearts around the world. Dr. Seuss's long list of awards includes Caldecott Honors for *McElligot's Pool*, *If I Ran the Zoo*, and *Bartholomew and the Oobleck*, the Pulitzer Prize, and eight honorary doctorates. Works based on his original stories have

won three Oscars, three Emmys, three Grammys, and a Peabody.

Bought this for work, because of my bi-lingual baby. She can't handle the delicate pages yet, but I think she'll love this as a toddler. :)

What a great to help children learn to read... in 2 languages!!! My grandson adores his new Dr. Seuss books!!

I bought this for my granddaughter. She is a little young to appreciate books but I want her to have a good collection for later. This book is well made. I believe the hardcover will last for her. The way the verses are written with French and English on the same page makes it so easy for any family member to read to her. I hope I can continue to find this quality in books for her personal library. As always you can't beat Dr. Seuss.

I love this little book but I ordered it in French, sadly got it in spanish with a French sticker on the back! Didn't want to go through the bother of sending it back so I gave it away.

Learning French. This helps!

I LOVE IT

I speak French (as a second language) and this is a wonderful intro into teaching it to my toddlers!! They love the original English version, and love the French one as well. And while it doesn't rhyme all the time (like the English one does), they managed to translate it in rhymes a lot more often than I had expected!

It is a great idea to have these books in French and English. The only problem is that some of the charm of Dr. Seuss is lost in this exact translation. The rhyme rarely translates from French to English. Other than that, the book is very well done and the words are exact so it is a good learning tool.
