# Vintage Women: Adult Coloring Book: Groovy Fashion Of The ~70s (Vintage Women: Adult Coloring Books) (Volume 10)

## Synopsis

Clothing in the seventies was often created from some of the most fantastic and funky patterns and materials. Fabric with floral prints, geometric patterns, stripes, checks and paisleys were made into flared pants, flowing skirts, short shorts and halter tops. As the decade dawned, the only thing clear about style trends was the lack of any specific trends. "Fashion designers finally have agreed on one point -- the fashion world is in a state of confusion." Jumpsuits and tracksuits made their mark, and the peasant look -- similar to the hippie look from the sixties -- was seen across the country. Even capes and ponchos enjoyed a brief heyday. Each of the 48 full-page images inside was carefully chosen from thousands of fashion illustrations published between 1970 and 1977. Now, 40 years after these clothes were designed, you get to grab your pencils or pens and dive into this set of vintage art to make it all your own! Can you dig it? Note: This is not a typical coloring book! It features authentic vintage fashion images that were drawn in the '70s. ## Customer Reviews

The same problem with the 70's book. Too many black and grey tones. It is better as a reference book, than one to color in.

If I could have seen more pages in this book I would never have bought it!!! I'm done buying from books I cannot see more of the inside! If you want history of designs in the 70's this might be for

you! These pages are single sided so I gave i two stars! They are so shaded that it does not allow you to get creative!

there is nothing to color. it is already filled in with black and grey tones. .,try again and leave something to color.
