Mary Giuliani is a party and lifestyle expert and owner of Mary Giuliani Catering and Events. She has maintained a loyal client roster that includes J.Crew, *Vogue*, the Rolling Stones, Bradley Cooper, Stella McCartney, Carolina Herrera, HBO, and many more. Mary has appeared on *Today*, *Good Morning America*, and *Barefoot Contessa*, among other national media. In 2013 she partnered with chef Mario Batali on a catering collaboration called *MARIObyMary*. Mary splits her time between New York City’s Chelsea neighborhood and Woodstock, New York, with her husband Ryan, and daughter, Gala.

I had no expectations simply because Mary is not an author. She does what she does and is magical at it - I have had the pleasure of attending her affairs. That said, this book is fantastic. It's funny. It's heartwarming. It's an easy pleasure to read. It makes you feel as though a friend is telling you GREAT stories and you are all ears! I am definitely giving this out as holiday gifts to a bunch of folks on my list - well done Mary!

I saw this book and its author on The Chew and knew I had to have the book. I am not disappointed in it at all. The way it's set up is fantastic, where she shows you how to set up a whole party...from decor to dessert. But you can just pick a recipe at random and go for it. Most things are simple, but you won't look like an amateur at all.

Great recipes and pretty easy to make. The little anecdotes from the author are fun, as it seems she is.

This book is the perfect combo of fun storytelling, delicious recipes and creative ideas to use for your next party. I don't host many cocktail parties but this book is making me want to! I love Giuliani's sense of humor and that she doesn't seem to take it all so seriously. I'll be buying this for my aunts this holiday season!

I saw the author on the Today Show go through some of her tricks. She's really original for a budget conscious home entertainer. I thought it the perfect gift for all my sisters-in-law. They all loved it and I got a copy for myself too. A fun read and really great ideas.

This is my go-to gift for friends and family. Mary Giuliani offers a light hearted approach to thoughtful entertaining. The illustrations and ideas are exciting and original. Unlike many other cooking/entertaining books, this book is easy to follow and the results are fun and fabulous! I can't stop buying/recommending this book. Can't wait for the sequel.

Fantastic book! Not only amazing recipes and engaging ideas for your guests, but also a really entertaining read. Loved the anecdotes of Mary's adventures in catering, etc. And unlike most cookbooks, this book really is about the art of a good party as well as delicious and fun recipes. Definitely my go to book for entertaining!

Great for entertaining ideas and she is so funny.
