Do You Have What It Takes To Survive In Feature Film Production?: The Construction Department (Do You Have What It Takes To Survive In Film Production? Book 3)

Synopsis

In this 70 page booklet, third in the series 'Do You Have What it Takes to Survive in Feature Film Production? - you will learn about the choice of jobs involved in the Construction Department. The job descriptions and helpful links to websites, publications and suggested books are there to help you to make a more informed decision about your career choice - do you need to have a degree, do you need vocational training? This is a comprehensive overview, complete with articles from working professionals giving advice and talking about their own career paths. I have worked in and around the film industry for 30+ years and, like everyone else involved in the business, I am anxious that anyone wanting to make their career in feature film production have the best possible information to guide them safely into a very competitive business.
