Yo! Yo! Yo! I can't believe this book. Let me start off by saying that. This is a really great $\tilde{A}f\hat{A}$ \tilde{A} \hat{A} \hat{A}

I was so excited to read this book but now I'm over it. The ending left me in disbelief. How are u gonna kill off God then say "to be continued "? I definitely won't be reading part 6. I'm so done with drawn out books.

This has dragged on waaaaaay too long with entirely too much dumb thoughts that I am totally disappointed at Sol for this one. Bad enough Summer's Story was extra unnecessary!!! Now God's death....seriously Sol you need to do better!!! This was over after the third book!!!!

I can't believe there's more to be said what will happen to Reese the twins Sloan how could u just take him away from us whyyyyyyy!!!? \tilde{A} \hat{A} ?

This book would have gotten five stars had it just ended already. Now we have to wait for part 6. Dragging this book out is not cool.

I'm over it. Everything doesn't need to be a trilogy but you are up to pt.6. End it already, jeez.

Sol, what are you doing? Unlike your previous work, this series has no structure. First you start a series and introduce a new character in the third book. Then in the fourth book you switch it up to dedicate it almost entirely to the life of the new character rarely mentioning the main characters. Now we are on book five with more new characters being introduced and being left with another cliffhanger. Close this series out with the next book and please do not use this format again.

So over this series it's all over the place, part 6 really this book just dragged with a bunch of unnecessary events how is it that Dior was a sex slave for years and the one time she sleeps with young she gets pregnant give me a break and sloan pregnant with twins. These men are straight disrespectful when it comes to referring to these dumb @\$\$ females as b!+@e\$ we've h@#\$ they too accepting of these side chicks all because the men are fine with money. The plug next door don't even fit the title anymore, too many things going on and where did God's mother and father come from all these missing relatives popping up, I thought the mother was supposed to protect them so how Godfrey senior kill Godfrey Jr, all this is too much just to keep this series going just making it worse, end it already.
