Forced Series Box Set: Books 1-5

Synopsis

Books 1-5 of the forced submission erotica series.

Forced by the Kingpin Forced Series, Book 1 I've been on the trail of the local mob kingpin for months. I know his haunts, habits, and vices. The only thing I didn't know was how obsessed he was with me. Now, caught in his trap, I'm about to find out how far he and his local cop-on-the-take will go to keep me silent.

Forced by the Professor Forced Series, Book 2 I've been in Professor Stevens' class for a semester. He's brilliant, severe, and hot as hell. I haven't been particularly attentive, prepared, or timely, but he hasn't said anything to me about it. I figure he must not mind and intends to let me slide. At least I thought that was the case until he told me to stay after class today. Maybe he'll let me off with a warning?

Forced by the Hitmen Forced Series, Book 3 I stayed out of my father's business. His dirty money never mattered to me, so long as my trust fund was full of it. But now I've been kidnapped by his enemies and stuffed in a bag. The rough men who took me have promised to hurt me if I make a sound or try to run. I know, deep down, they are going to hurt me no matter what I do. Now I'm cuffed to their bed. Will I ever see the light of day again?

Forced by the Stepbrother Forced Series, Book 4 Dancing for strange men was the biggest turn on I'd ever known. Until I met him. He was able to control me, make me hot, make me need him, with nothing more than a look. But he was a fantasy. Just another client who worked me up and paid my bills. Until he found me, the real me. Now, he's backed me into a corner. His threats and promises, darkly whispered in tones of sex and violence, have bound me surer than the cruelest ropes. At first I was unsure, but now I know – he is him being my stepbrother is the least of my worries.

Forced by the Quarterback Forced Series, Book 5 For three years, I'd lusted after Jericho, my brother's best friend and quarterback of our college football team. He's never paid me any attention, considering me nothing more than a little sister he never had. Now, I'm starting freshman year and I'm sharing a suite with my brother. Jericho is over all the time, but he'll never see me as anything other than the shy girl he met three years ago. But that's not who I am. Not really. To get over Jericho – and to finally get off – I've arranged a meeting with HardcoreDom. If I can't have Jericho, I'll give myself to a man who will master me, force me, and dominate me the way I desperately need.

Dammit Celia Aaron can write hot stories! These 5 are amazing. Do I have a favorite not really they are all great. What's terrific about them even though they are a series they aren't set in a format they are all unique which is awesome. Best 4th of July I spent saw lots of fireworks!

Forced Series Box Set has 5 extremely hot short novellas. They were full of forbidden, kinky, dirty stories. BUT... They had more than that. Each story has their own twists. They were crafted beautifully and intelligently. Celia Aaron managed to surprise me even with short stories. These stories were more different than all I've read. These novellas have plot, twist and character improvement in a way. All I can say is: Celia Aaron knows what she's doing. 1) Forced by the Kingpin It's between Jessica, Jackson and Alexi. Jessica is a journalist who writes about the mobster in the city. And when she wrote something so close to the truth... Well, she needs some lessons from hot mobster Alexi and the police officer Jackson. 2) Forced by the Professor Who can say no to the forbidden story between a teacher and a student? Especially, if I assure you that it is hot. Ms. Finnegan is pushing all the wrong (or maybe right) buttons of Professor Stevens. And that brought us hot sex with a pleasurable twist ;) 3) Forced by the Hitmen When you opened your eyes two men are waiting for you, kidnapping you. And with some luck, they give you the best sex ever! Umm... Should this be a bad situation? This short story was my fav in all 5. Since I love them all, I think this must be something, right? 4) Forced by the Step-brother Step-sibling relationship, some D/s

actions, stripper, club...Do I need to say more?It was hot and quick read. But I wanted more in this novella. Something was missing in this one. Maybe after reading all three stories with unexpected twists I was hoping more.But surely, this one was very enjoyable.5) Forced by the QuarterbackThe best friend of the brother, secret fantasies and lots of lust...And a twist...Celia Aaron found a way to put so many things in a short story and I loved her for it! This one was the last novella in the boxset and it was equally hot!! I didn't sleep till 4 am in the morning to finish this box set and it was worth it!! If you're after smartly created hot read go for it! This has five instead of one ;) Copy is provided by author, Celia Aaron

This boxed set is filled with some of the filthiest stories I've ever read. Saying I thoroughly enjoyed them might be a bit of an understatement as it doesn't fully encompass the pleasure I derived from reading them. They're not only smut filled but also have some plot that enhance the overall experience.

This was perfectly filthy. It was beyond nasty but sweet. I love the tales of the way the story rounded out so well.

I'm not much of a MF reader, I generally prefer MM and that might interfere on my rating. That being said I really enjoyed the stories, at least most of them. I wasn't expecting linking it so much. Something that I noticed in all of them, was that the term "forced" might not be entirely true. It felt, at times, more like a roleplay. The twists that can be found in each story were a great touch. I also liked the alternating points of view. Forced by the Kingpin: This was a good introduction. It wasn't one of my favorites but it kept me hook to the book. There is few things I can say without giving some spoilers away, but it was a good one. Forced by the Professor: It was my least favorite, but it had a great moments, among them, a great spanking scene. Forced by the Hitmen: This one was one of my favorites, really good, I loved the female MC, she was the most entertaining and the plot was also the most intriguing. The turn of events was great. Forced by the Stepbrother: I liked it, but it was the story that I had more issues about. Mostly because I didn't liked the female MC's attitude, it didn't seemed realistic. It had great scenes but I felt particularly attracted by the plot and the ending just wasn't what I would expect. Forced by the Quarterback : It was nice, it didn't felt forced, it was more like roleplaying, which was ok, I liked this main characters the most, this was the only male MC that I

really care for. The ending felt a little rushed and I didn't like it that much, but I did enjoyed the story.

All good shorts; all of the women in this bundle fantasize about experiencing the rougher side of love and these men are more than willing to fulfill their needs.

I enjoyed all five of these books. The writing was great and the stories were crazy hot. You get exactly what the title tells you. I think my favorite was Forced by the Hitmen, but I thoroughly enjoyed them all. Definitely a good deal with the box set.
