# Rome And The Vatican - Guide 4 Pilgrims, Backpack Edition

## Synopsis

(Backpack Edition - black and white interior) Experience the grandeur of Rome's art, architecture, history and - above all - faith. This Guide 4 Pilgrims includes almost 800 images, from more than a hundred of Rome's most important pilgrim sites, found in twelve convenient walking tours that include detailed maps. For the pilgrim, Rome bears witness to twenty tumultuous centuries of Christian history, like no other place. The Eternal City's abundance of sacred treasures can overwhelm, however, especially when so many tourist guides fail to focus on the faith. This is the indispensable Guide 4 Pilgrims on Rome and the Vatican. Whether traveling there or simply enjoying it from an armchair, pilgrims can experience the human drama that has always defined the Eternal City: from ancient emperors and martyrs, to Renaissance popes and artists, to the enduring legacy of Rome's architects and saints. Christianity has always demanded Rome's attention, just as the Eternal City has commanded the world's. Regardless of the passing of brutal emperors and empires, however, Rome still confirms that the gates of Hell have not and shall not prevail against Christ's Church. (The "Backpack Edition" is designed for the rough-and-tumble traveler who wears out guidebooks quickly while personally visiting each site. It is more economical than the color editions because its interior is printed in black and white.)

## Customer Reviews

Teresa Tomeo, [Catholic Radio & Television Host Pilgrimage Leader](#) [to Rome & The Vatican for over 10 Years](#)"This book is at the top of my list as one of the most comprehensive Catholic travel guides to Rome. I especially love the stunning images, interesting facts about the saints and our

Catholic faith, as well as all of the travel tips included in this book. I am taking this book with me on all 4 of my pilgrimages to Rome this year." Steve Ray, Catholic Apologist & Pilgrimage Leader "If you take one book to Rome, take this one! If you want one book to help you through Rome and the Vatican, this is it. Loaded with information from a spiritual and historical point of view. Especially excellent for Catholic pilgrims. Full of pictures, facts, detailed and pertinent information. It is in my pack on every trip

Most tourists are fascinated by the brutal imperial history of Rome, or the artistic beauty of Renaissance Rome. But they and their guides often miss a more important story. Even before Rome destroyed Jerusalem's Temple in 70 AD, Saints Peter and Paul had arrived there, spreading the Gospel and establishing the foundation of Christ's Church. Because of their sacrifices, and those of countless other martyrs, our Christian heritage was nurtured and preserved in Rome. So, over the past twenty centuries, the Church has had to struggle through seemingly endless persecutions, fires, martyrdoms, earthquakes, plunders, and heresies. But by the grace of God, and the heroic virtue of saints, the Church has always prevailed. Today, for anyone who wishes to fully appreciate Christian history, the Eternal City is more than an interesting tourist destination. Rome is a holy, historic pilgrimage.

When going to Rome for a true pilgrimage experience, this is a must have book! The maps and tips help you find the many churches easily. Once you find the churches, it's like you found a treasure! The book provides facts about the churches with additional highlights to look for at each church. I bought the backpack edition of the book due to cost, but I wish I bought the color edition (I still might!). I highly recommend purchasing this book in the color edition, you will not regret it but be glad you did!
