Culture Shock! Iran (Culture Shock! A Survival Guide To Customs & Etiquette)

Synopsis

Whether you travel for business, pleasure, or a combination of the two, the ever-popular "Culture Shock!" series belongs in your backpack or briefcase. Get the nuts-and-bolts information you need to survive and thrive wherever you go. "Culture Shock!" country guides are easy-to-read, accurate, and entertaining crash courses in local customs and etiquette. "Culture Shock!" practical guides offer the inside information you need whether you're a student, a parent, a globetrotter, or a working traveler. "Culture Shock!" at your Door guides equip you for daily life in some of the world's most cosmopolitan cities. And "Culture Shock!" Success Secrets guides offer relevant, practical information with the real-life insights and cultural know-how that can make the difference between business success and failure. Each "Culture Shock!" title is written by someone who's lived and worked in the country, and each book is packed with practical, accurate, and enjoyable information to help you find your way and feel at home.

Customer Reviews

O'Shea is a writer, researcher and independent consultant on Middle Eastern affairs, particularly those of Kurdistan and Iran.

I couldn't put this "guide" down. It goes beyond the regular guide you usually read. Even though it is not quite recent, everything the author writes still stands. It is very well written. Persian words are not in Persian script they are in "Penglish" but that's ok as it is a guide and not a "teaching Persian

language book ". You just can't stop reading it like "what is she going to tell us next ?!" - Strongly recommended.

Maria O'Shea has written an indispensable book for the visitor to Iran. She manages to combine humor, wit, and ironic distance with the incredible breadth and depth of knowledge about the people and the culture that can only come from living there. Her book will be especially useful to Westerners who have to deal with Iran because she has clearly already done all the homework. She sees the Iranians whole, with all their foibles, but not without affection and an abiding appreciation of a very old culture that is too often misrepresented in the West. It's a good read even if you aren't going there.
