The Santana Brothers 2

Synopsis

After the release of Islah Santana, things were supposed to start looking up for the Santana family, but, it was actually the total opposite. Talk about a downward spiral. Islah Santana did fifteen years, for the murder of his mother, thinking that he was protecting someone that he loved dearly. Not only was he double crossed but he was also blindsided in the worst way. For what it's worth, he's forced to start from the bottom and repair everything that was damaged during the hurricane of betrayal. Ivy Santana has a lot on his plate which is causing him to go numb and come off as heartless. Instead of mourning his late girlfriend, he finds solace in himself, only caring about himself, and not in a good way. In a ruthless way. Ingo Santana is starting to feel the pressure of being apart of the Santana Family, feeling like he doesn't belong. They're too cut throat. They don't care about anyone but themselves. All they do is lie and kill. At least that's what Ingo thinks. For a moment, it appears that only he is caring about Maliyah and maybe he's right. That's the scary part. Keith Santana, who also goes by Keila Santana, is threatened to be exposed after being admitted into the hospital. If the paper work goes viral and people find out who Keith really is, all hell will break loose. Are you ready for all hell to break loose?

This family has more secrets than the government!!! It really is a page Turner. Still a lot of unanswered questions but hopefully the next one gives me more answers than questions. The plot has all but boiled over can't wait for the next one.

I can't wait to see what's next, just when you think you know what's next, wham! I mean that in the best way possible.

This book was funny entertaining and jaw dropping I was holding my breath laughing and just hurt I feel for Ki she deserves to know what happened to her mom and they all need to meet their brother.

Can't wait until the next one this book has me speechless right now can't wait to see what's next Kia please hurry..... lol

Can't wait for the 3rd one I wish they were longer tho .. hopefully she can hurry up lol

The Santana Brothers are at it again more questions than answers. Ivan keeping more secrets. Islah is Kelia father he was molested by Melandie his mother because she was obsessive with Islah and wanted him bad. Dusty is Gino cousin he came to kill Ivy to seek vengeance for killing his cousin and get a drug connections with Hector . But Ivy didn't kill Gino Kaprice did because she was in on the kidnapping scandals because she wanted Maliyan out way so she can have Ivy to herself but he didn't want her like that. Ivy shot Traylen lied about robbery and I felt he was setting up Ivy he knew where Cheyenne was because he took her before she could tell Ivy she was shot in the throat. Ingo is still in love with Maliyan will she be save in time . Why does Amy Bennett brother look like Ivy and his brothers what with that. Amy and Ivy are using each other to making her father angry even pretending to have relationship with each other. This whole family is ruthless when is it going to end who will ended up hurt. So much to tell where to start Ivy ,Ingo, Islah, and Kelia when are all these secrets to ends. Will Kaprice kill Maliyan because of Ivy because jealous because he doesn't love her.

This was such a good book. I loved the characters and their story line. The book was good from start to finish definitely a page turner. I can't wait to read part 3!! I definitely recommend this book!!

Kia. I wanted to give you 55. That's how great both books were.OMG usually. If a book has several characters sometimes it's hard to keep up with. Not you baby girl. The book was pure fire. I read book one yesterday and I couldn't even sleep last night. Tired at work lol started book 2 finished just now had to do a review. This book was so out of the norm from the regular Jane fell in love with Bob and the drug dealer blah blah. I cannot wait for 3 Anyone looking for an excellent read if you didn't read book one you have to go back. You will not be disappointed as my uncle would say. " I swea a 4 GAWD. Lmao
