Customer Reviews

I am a great fan of Kathryn De Veque and couldn't wait to read the latest installment in the De Wolfe pack. This story did not disappoint!!! I loved the hero and heroine and that their love story developed

over the course of the story. It wasn't a quick 2-3 day thing where they then run and immediately jump right into bed with each other (and then spend the whole rest of the book hating/fighting their feelings and guilt). What a relief!!! The heroine was sweet, strong (in a good way) and didn't run off and do anything stupid during the story like some of Le Veque's heroines tend to do. I actually liked her! She acted with restraint and sense throughout. Nothing drives me crazier than heroines who stubbornly rebel against the hero (and good common sense) and get themselves tangled up in situations because of that! Or heroines who hang onto a false sense of familial loyalty and betray the hero late in the story. Just act like you have some sense, please!!!! Isobea was kind, actually listened when she was told some home truths about her actions, and acted with restraint and loyalty throughout which was very refreshing. Atticus is a hardened warrior but does have a tender side which he displays to Isobea as he comes to know and then love her. He loves his brother deeply but also realizes fairly quickly that his brother IS dead so there's no reason to feel a huge sense of guilt because he has to marry Isobea. Atticus is driven by a desire to avenge his brother and does get that opportunity at the end. Isobea supports him throughout and lets him do what he needs to do. I love how their love story is allowed to develop naturally and is not rushed or forced. I also love that he respects her enough not to force the consummation, especially when she is not physically ready for it. If you are looking for a heroine who acts like a 21st century woman and is stupidly stubborn and irrational, this book is not for you. However, if you want a more realistic medieval woman (who acts like she is actually living in that time period) and a hero who doesn't rape or force himself on the heroine or treat her with disrespect, don't miss this book! Absolutely loved it! Definitely one of Le Veque's best!

The most recent novel about the de Wolfe family occurs 200 years after the original novel in this family saga (*The Wolfe*). This is an emotional and action packed story. It is somewhat darker in that it starts with the tragic murder of the older de Wolfe son. This novel involves the war in England called The War of the Roses. Like our Civil War it involved friends vs friends, family vs family, and divided loyalties. The younger de Wolfe brother Atticus, known as The Lion of the North, finds out that his brother Titus has been mortally wounded by turncoat friends. Atticus sees his beloved brother as he lays dying and is told the names of his brother's murders. Titus also begs Atticus to marry his new bride who will now be a young widow. The story follows Atticus and Isobea (his sister-in-law) as they work through their grief, need for vengeance, and the healing power of love. This story is full of powerful and sometimes heartbreaking moments. There are battles, siege, murder, and a fight scene with an unexpected ending. There is even a satisfying Epilogue whose

last sentences will choke you up. Another wonderful Kathryn Le Veque Medieval novel#

I waited on tenterhooks for this highly anticipated novel to be published. If you've followed the De Wolfe Pack saga, Ms. Le Veque's famous medieval warrior family, you'll understand why. This story is about Atticus de Wolfe, who marries his brother Titus' widow, after Titus was betrayed and murdered by his fellow knights. The path of revenge Atticus journeys on is tempered with the growing romantic love and feelings he has for his new wife. Isobeau is supportive of Atticus' plans to avenge her deceased husband; what more can a fierce knight ask for? She doesn't sway him from that path at all, but in fact offers him love and support, and smoothens his very rough edges. This is a wonderful story about a hero and heroine who weren't looking for love, but found it anyway - and that's what made this a great love story! When the betrayers find out Atticus is aware of who they are, they do everything in their power to escape his warpath. No friend or foe wanted to stand in Atticus' way. Little do they know they let The Lion of the North Roar forth! His Little Lioness was no shrinking violet in the climatic battle scene either. This is a 'must-read' story, which does not disappoint. Enjoy this great Le Veque masterpiece! This novel is definitely on my 're-read' shelf.

An absolutely wonderful book! Kathryn Le Veque has crafted a masterpiece. The vivid detail she provides transports the reader to another time and place. The Lion of the North is a powerfully emotional book...I laughed and I cried. I loved the hero and the heroine...This story flows so beautifully, it is very difficult to put down once it is started! Characters you will love, suspense, adventure, a tender love story, the camaraderie of Knights who are fiercely loyal to each other..this is an amazing story that I highly recommend! Don't miss The Lion of the North! It is a grand slam home run for this talented Author!

Simply awesome! Fast paced and filled with a compelling, passionate story of love, betrayal, vengeance, second chances, and finding a HEA, during a time of turmoil and traitors. The characters will steal your heart. Tissues needed!! Mesmerizing and fantastic! Another hit for Ms. Le Veque!!! Love her Medieval Historical Romance. Set in England during a time of great sorrow, angst, betrayal, treason, deception, treasonous acts and the turmoil of a country and its people. Ms. Le Veque writes with enthusiasm, understanding and heart, in which she conveys this to her fans. A must read!! Fans on English Medieval Historical Romance will enjoy this story for sure. Pick up your copy today!! *Personal buy* Rating: 5 Heat rating: Mild Reviewed by: April R
