Zoroastrianism (World Religions (Facts On File))

Synopsis

Zoroastrianism, the smallest of the world's great religions, is also one of the oldest, having been founded 3,000 years ago by the prophet Zarathustra. Its influence on other faiths has long been acknowledged, with its concepts of one God, heaven and hell, good and evil, a saviour to come and everlasting life featuring in many.

Book Information

Series: World Religions (Facts on File)

Hardcover: 144 pages

Publisher: Chelsea House Publications; 3 edition (May 1, 2009)

Best Sellers Rank: #4,035,717 in Books (See Top 100 in Books) #23 in [Books > Teens > Religion & Spirituality > Eastern](#) #174 in [Books > Children's Books > Religions > Eastern](#) #796 in [Books > Teens > Education & Reference > Reference](#)

Age Range: 12 - 17 years

Grade Level: 7 - 12

Customer Reviews

Gr 7 Up-These attractive volumes are readable and well organized. They have comprehensive introductions and conclude with current practices and a look to the future. Zoroastrianism discusses the religion's history, scripture, philosophy, ethics, and rituals. African Religion covers the oral tradition, beliefs about God and the spirit world, rites, sacred places, and mystical forces. Both books have glossaries (but no pronunciation guides), minimal chapter notes, and lists for further reading. Unfortunately, they also have internal inconsistencies and are occasionally confusing. The abbreviations B.C.E. and C.E. are used with no explanation of their meaning. Both titles suffer from inadequate maps. And, while they cover the "big picture" well, there is little sense of how the religions are practiced on a daily basis. However, since little is available for teens on Zoroastrianism and traditional African religions, these may be useful purchases where world religions are of interest.-Ann W. Moore, Schenectady County Public Library, NY Copyright 2000 Cahners Business

Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Paul R. Hartz was a teacher and a textbook editor, and specialized in writing nonfiction and educational materials for elementary and secondary school students. She wrote the latest editions of Baha'i Faith, Daoism, Native American Religions, and Shinto, all from Chelsea House's World Religions set.

I found this book very confusing at times. And there was certain important information that was completely left out. Especially with regards to the dates of when certain books were written, the sentences would seem to contradict each other. I did not enjoy this book and feel that all the information I wanted to know was left out. I know that it is difficult to date Zoroastrian writings but they hardly mentioned anything about the dating at all!

This book is a great introduction about this ancient Iranian religion and its principles and rituals. Book is accompanied with many pictures.

There is not a thing wrong with the text of this book. It is well written and informative. The problem is that this book claims to be an updated edition. We've been able to find no changes from the prior edition. In my opinion, this is tantamount to defrauding schools and libraries with limited budgets, not to mention the folks who work hard to pay the taxes. Buy the version that's not updated. You'll get the same product probably for a better price and let Facts On File know that such conduct is not appreciated.
