Fodor's Dominican Republic, 1st Edition (Travel Guide)

Synopsis

The most popular destination in the Caribbean offers something for everyone, but the Dominican Republic is so much richer than a string of all-inclusive resorts. This guide offers everything a traveler needs to know to plan the ideal vacation in the Dominican Republic, whether the vacation is for a few days or for a few weeks. From the beautiful beaches of Punta Cana, to the vibrant nightlife of Santo Domingo, to the glittering amber coast of the north, to such newly developing hotspots as the Samaná Peninsula and the undiscovered beaches of Barahona, Fodor's Dominican Republic gives you all the information you need to choose the perfect beach and resort. - Expert advice on how to avoid tourist traps and find undiscovered gems- Clear, detailed reviews of major resorts in all areas of the island- Interesting cultural insights to help discover the Dominican Republic that is off the beaten tourist path- Reviews of the best beaches, casinos, restaurants, and shops

adventure" *The Arizona Republic* "Always thoughtfully written and easily readable, Fodor's travel guides have become a must-have when traveling to unfamiliar destinations"
Mid South Magazine "Widely recognized as the gold standard of mainstream travel"
Honolulu Advertiser

We wanted to learn as much as possible about the Dominican Republic before our trip. This book was a great source for historical, cultural and local information. If there are multiple guides published for your destination buy at least two; no one book is likely to cover everything. This book helped us learn before we left home, helped us get around when we were in the DR, and probably helped us avoid a few dumb turista mistakes.

Not to be overly harsh, but if you're looking for a good guide to the Dominican Republic this is not it. I used this guide for a February 2009 trip to the Dominican Republic. I traveled to Santo Domingo, Santiago, and Punta Cana and found that many of the listings in the guide no longer exist. For the museums and public tourist attractions that were still operating the prices were generally twice as much as those listed in the guide. Additionally, the included maps were, on occasion, grossly inaccurate. When I showed a business owner what was written about his store he was shocked by the inaccuracies. Bottom line when I looked at other guides after my trip I found that they better represented the on the ground truth. Reputable Fodor's just missed the mark on this first edition. Enjoy the DR.
