Pushing Brilliance (Kyle Achilles Book 1)

Synopsis

He didn't do it. He really didn't. But proving it, will be a killer. PUSHING BRILLIANCE: Imagine Harrison Ford's THE FUGITIVE meets Tom Clancy's HUNT FOR RED

OCTOBER. "The best book I've read, bar none." --Ed

Wiseman Framed for murder and on the run, former Olympic biathlete Kyle Achilles is also

in the crosshairs of assassins' guns. Why? He has no idea. He's fighting blind against two master strategists and one extraordinary invention--known as Brilliance. Achilles' only ally is the other prime suspect, a beautiful Russian mathematician who is either the best or worst person to ever enter his life. Katya was engaged to Achilles' brother -- before he died. Chasing clues while dodging bullets,

Achilles and Katya race around the globe, uncovering a conspiracy conceived in Moscow, born in Silicon Valley, and destined to demolish both the White House and the Kremlin. Along the way a lost soul finds purpose, a broken heart confronts forbidden love, and America gains a new hero. Packed with heart-stopping surprises, paced by razor-sharp plotting, and populated with richly rendered characters, Pushing Brilliance will leave you breathless and longing for

more. Dear Reader, If you enjoy David Baldacci, Lee Child, Tom Clancy, Nelson DeMille, Ken Follett, Vince Flynn, James Patterson, Daniel Silva, or Brad Thor, odds are you'll be smiling a few pages into my books as well. Care to try before you buy? No problem. You can download one my thrillers for free at timtigner.com. Need help putting the kids through college? I can appreciate that. I have a couple of my own. I'm not in a position to help you with tuition yet, but I can provide days of delightful distraction for the price of a cup of coffee, and kind reviews will get good karma sent your way. Thanks for your kind consideration, Tim

Customer Reviews

I read a lot of books (usually at least one a day) and when I saw this concerned a spy/CIA operative up against a Russian threat I thought this scenario has been overused but I was very pleasantly surprised! Very entertaining book, unique premise, suspenseful flow of action, well-crafted back and forth from the US to Russia, and great character development. Anxious to read the next saga with Achilles & Katya. Rather than racing through this book to finish and get on to the next book, I savored the read and enjoyed the ride. Keep them coming Tim!

I guess this is my third Tim Tigner book. Another homerun! This book starts with a bang and keeps the characters (and me) on a joyride. The characters are well developed. The books moves quickly. I love good vs. bad, and this has that thread throughout. The twists are great, kept me guessing. I would HIGHLY recommend this book for those who like espionage, thriller types of books.

Wow! Biotech, secret agents and piles of dead bad guys all in one book. This story was a great read not only for it's concept and plot; the grammar and punctuation were flawless. I read a lot of books and it annoys me when authors leave out words that make a sentence flow and punctuation that make sentences difficult to follow. (Let's eat grandma. Let's eat, grandma.) See what I mean?

Tigner writes a notch or two above the typical international spy mystery with his well developed plot, scenes and characters the reader can easily picture. Without a clue where the next twist or turn

would take me, I never wanted to stop reading for sleep or to go to work. Very enjoyable, exciting and informative.

Pushing Brilliance was an interesting and exciting read. Thought provoking. I enjoyed Achilles in action. Other readers will, too. Look forward to more.

I began reading with some skepticism. I wasn't sure it would hold me to the end. I was wrong. I was rooting for Achilles by chapter 3. I'm not into romance in thrillers and Tim kept to a tolerable level. It didn't overtake the story line as some novels do. I'll be reading the rest in this series for sure.

I received this book as gift. In the past I have read Mr. Tigner's books and have enjoyed them immensely. This book exceeded all expectations. The two main characters are well developed and are written with just the right amount of chemistry between them. The plot is quite inventive and keeps you guessing until the last 10 pages. Overall, I would have to most highly recommend this book and its sequel "Lies of Spies". Well done Mr. Tigner. Keep 'em coming.

Those of you old enough to remember Robert Ludlam's pulse-slammng thrillers, set all over the face of the globe, should pick up this book right now. Tigner has the gift of telling a story in telegrams: not a word wasted, every chapter a punch to the jaw, a cliff-hanger every 25 pages. I know everyone says this, but PUSHING BRILLIANCE actually did keep me up almost all night, And this is the first in a series, so if you admire it as much as I do, there's more to come.
